of America, UAW

Adopted at the
36th Constitutional Convention
June 2014

Greetings:

The Constitution of the UAW is the highest law of our union. It provides the foundation for the day-to-day operations of our great union, and equally important, it sets forth the rights, guarantees and responsibilities of all UAW members.

The UAW's Constitution expresses our union's values and vision of a democratic society that embraces economic and social justice for all people. It unites us in solidarity and strengthens our union.

We are proud of our Constitution and our power to stand together and adopt and abide by these guiding principles that determine our union's path and its future.

This document, adopted at the UAW's 36th Constitutional Convention, reminds us that we are called to participate meaningfully in making positive decisions affecting our communities and our nation. I urge you to carefully study our Constitution and apply its principles in your daily life, both as a member of a great democratic union and as a citizen in a democratic society.

PREAMBLE

1

2 We hold these truths to be self-evident; expressive of the ideals

3 and hopes of the workers who come under the jurisdiction of this

4 INTERNATIONAL UNION, UNITED AUTOMOBILE, AEROSPACE

5 AND AGRICULTURAL IMPLEMENT WORKERS OF AMERICA

6 (UAW): "that all men and women are created equal, that they are

7 endowed by their Creator with certain inalienable rights, that among

8 these are life, liberty and the pursuit of happiness. That to secure these

9 rights, governments are instituted among men and women, deriving

10 their just powers from the consent of the governed." Within the orderly

11 processes of such government lies the hope of the worker in advancing

12 society toward the ultimate goal of social and economic justice.

13 The precepts of democracy require that workers through their

14 union participate meaningfully in making decisions affecting their

15 welfare and that of the communities in which they live.

16 Managerial decisions have far reaching impact upon the quality of

17 life enjoyed by the workers, the family, and the community. Management

18 must recognize that it has basic responsibilities to advance the welfare

19 of the workers and the whole society and not alone to the stockholders.

20 It is essential, therefore, that the concerns of workers and of society be

21 taken into account when basic managerial decisions are made.

22 The structure of work established by management is designed

23 to make of the workers an adjunct to the tool rather than its master.

24 This, coupled with the authoritarian climate of the workplace, robs

25 the worker of her/his dignity as an adult human being. This belies

26 the democratic heritage we cherish as citizens in a society rooted in

27 democratic values.

1 Essential to the UAW's purpose is to afford the opportunity
2 for workers to master their work environment; to achieve not only
3 improvement in their economic status but, of equal importance,
4 to gain from their labors a greater measure of dignity, of self-
5 fulfillment and self-worth.

6 Workers must also participate meaningfully in political and
7 legislative action because government impacts importantly on
8 their lives and on their communities. If government is to be the
9 means by which people achieve a humanitarian and equitable
10 society, it must be a responsible and accountable government.

11 Therefore, the UAW has the duty and responsibility to
12 promote real and meaningful participatory democracy through
13 its members and their families, so that free people and their
14 institutions may be heard in the councils of government and so
15 that officeholders are guided by principle alone.

16 To achieve these wholesome objectives:

- 17 • Management must accept union organization and
18 collective bargaining as an essential and constructive force in
19 our democratic society;
- 20 • The workers must be provided a meaningful voice in
21 maintaining a safe and healthful workplace with decent working
22 conditions, and must enjoy secured rights, together with a
23 satisfactory standard of living and maximum job security;
- 24 • The workers must have a voice in their own destiny and
25 the right to participate in making decisions that affect their lives
26 before such decisions are made;
- 27 • The UAW must play an active role at all levels of
28 government to protect the lives and rights of its members and
29 their families. We must work constantly on the political and
30 legislative problems facing the whole society;
- 31 • Union members must take seriously their responsibilities
32 as citizens and work, through their union and individually, to
33 realize the goals of participatory democracy and responsible and
34 accountable government.

18 accelerating technological and social change.

11 (or such other amount determined by the International Executive

15 that Local Union.

16 **Section 3.** Notwithstanding any other provisions of this
17 Constitution, whenever an International Officer or International
18 Representative is a member of a Local Union which is disbanded
19 or goes out of existence, or whose charter is revoked, said Officer
20 or International Representative may apply for membership in
21 another Local Union in the same region. If accepted as a member by
22 membership action of such Local Union, the International Officer or

25 period between the cessation of the existence of her/his original
26 Local Union and her/his acceptance by the membership of the new
27 Local Union.

28 **Section 4.** Upon acceptance of the application, membership

11 **been entered into the Local Union Information System (LUIS).**

12 **Section 9.** Any Local Union or International Union Trial
13 Committee expelling any member for cause shall notify the
14 International Secretary-Treasurer and the latter shall notify all Local
15 Unions of this fact forthwith. A person who has been suspended or
16 expelled by any Local Union or International Union Trial Committee
17 shall not be eligible for membership in any other Local Union until
18 all claims or charges against such person have been satisfactorily

25 member of the Union who is fully employed in one (1) workplace
26 under the jurisdiction of the UAW shall accept work in any other
27 workplace under the jurisdiction of the UAW. Any member violating
28 this Section may be subjected to charges of conduct unbecoming a
29 union member.

30 The above shall not apply in the case of members of a Local
31 Union or unit of an Amalgamated Local Union who are conducting
32 an authorized strike and have received written approval from the
33 Local Union officers to obtain employment elsewhere.

34 **Section 11.** No application shall be accepted from the one
35 designated as the head of a department, directing company policy
36 or having the authority to hire and discharge workers. Members
37 of the Union who are promoted to such positions shall be issued

3 Local Union.

4 **Section 12.** The names of all applicants for admission about
5 whose applications there is the least doubt may be published in
6 the "official publication." No applicants whose names have been
7 published shall be received into membership until thirty (30)
8 days after the date of such publication. However, applications for
9 membership from an unorganized or newly organized workplace
10 shall be held in confidence.

11 **Section 13.** Any member in good standing who shall have
12 become totally incapacitated by accident or illness may, at
13 the discretion of her/his Local Union, be granted a gratuitous
14 membership, continuing during incapacity. Appropriate cards
15 denoting such membership shall be **available through the Local**
16 **Union Information System (LUIS).**

17 **Section 14.** All members of the Local Union are also members
18 of this International Union and subject to the orders, rulings and
19 decisions of this International Union and the properly constituted
20 authorities of the same.

21 **Section 15.** The International Union and the Local Union to
22 which the member belongs shall be her/his exclusive representative
23 for the purpose of collective bargaining in respect to rates of pay,
24 wages, hours of employment or other conditions of employment;

27 or the continuance of membership in the Union as a condition of
28 employment or continued employment; and contracts requiring

30 wages any dues, initiation fees, reinstatement fees, payable to the
31 International Union or her/his Local Union.

32 **Section 16.** The International Union and the Local Union
33 to which the member belongs, and each of them, are by her/him
34 irrevocably designated, authorized and empowered exclusively to
35 appear and act for the member and in her/his behalf before any
36 board, court, committee or other tribunal in any matter affecting
37 her/his status as an employee or as a member of her/his Local

4 **Section 17.** A member of a Local Union may resign or terminate
5 membership only by written communication, signed by the member,
6 to the Financial Secretary of the Local Union, and such resignation
7 or termination of membership shall be effective upon receipt by the
8 Financial Secretary of the Local Union; provided that if the employer
9 of such person has been authorized by such person individually or
10 by the Collective Bargaining Agreement between the employer and
11 the Local Union to check off any amounts from the wages of such
12 person, such resignation or termination of membership shall not
13 relieve such person from the obligations arising from such check off
14 obligation. (See Special Note p. 165.)

15 **Section 18.** A member who resigns or terminates her/his
16 membership shall have no right or interest in any property of the
17 Local Union or of the International Union, including any dues or
18 other financial obligations paid by the member in advance of the
19 effective date of such resignation or termination.

20 **Section 19.** Any member in good standing who is retired,
21 shall be entitled to a "retired membership status" which, without
22 being required to pay membership dues during the period of
23 such retirement, shall entitle her/him to all of the privileges of
24 membership except the right to vote in elections conducted pursuant
25 to Article 19, Section 3; Article 45, Section 2; and Article 50, Sections

27 Constitutional Convention. If the purpose, or one of the purposes, of
28 a Special Convention is collective bargaining policies, the President

30 different individual), if not delegates under this provision may, by
31 Local Union membership action, be made special delegates at such
32 Special Convention with the right to be present on the Convention
33 floor with voice but without any vote. Under the same circumstances
34 in units of Amalgamated Local Unions, with membership in
35 excess of one thousand (1,000), the Unit Chairperson may, by
36 unit membership action, be made such a special delegate. If there
37 are vacancies in the voting delegation, they shall be filled in the
38 following manner:

39 (a) By alternates where the same were elected to the preceding
40 regular Constitutional Convention;

41 (b) If the number of delegates is insufficient after applying (a),

43 delegates to the extent permitted by Section 7 of this Article;

Art. 8

1 (c) If the number of delegates is insufficient after applying
2 (a) and (b) and the purpose or one of the purposes, of the Special
3 Convention is collective bargaining policies, by including any
4 special delegates which the Local Union or unit membership may
5 have provided for in accordance with this paragraph, with the
6 President of the Local Union to precede the Bargaining/Negotiating
7 Committee Chairperson;

8 (d) If the number of delegates is insufficient after applying
9 (a), (b) and (c), by electing additional delegates, these additional
10 delegates to be nominated and elected by secret ballot at successive
11 membership meetings; the required notices for such nomination
12 and election being those set forth in Sections 22, 23 and 24 of this
13 Article.

14 This foregoing procedure shall be disregarded in the event of
15 any Special Convention directed to be called by referendum vote
16 pursuant to (2) of the first sentence of this Section, in which event
17 the vote of each Local Union and the election of delegates from each
18 Local Union shall be the same as provided for in this Article for
19 regular Constitutional Conventions; except that in applying Section
20 9 of this Article to determine the average monthly per capita taxes
21 paid by a Local Union, a twenty-four (24) month period concluding
22 with the sixth (6th) month prior to the month in which the Special
23 Convention is to convene shall be used.

24 **Section 5.** Each Local Union shall have one (1) delegate for two
25 hundred (200) members or less and one (1) additional delegate for
26 the next three hundred (300) members or major fraction thereof,
27 and one (1) additional delegate for each additional eight hundred
28 (800) members or major fraction thereof, except Amalgamated
29 Local Unions which elect as many delegates as they have units who
30 average two hundred (200) dues-paying members or more, and
31 that those units who have two hundred (200) members or more
32 may elect their own delegates to the Convention and those with
33 less than two hundred (200) shall be grouped together and vote as
34 a miscellaneous group. In the event the miscellaneous group within
35 an Amalgamated Local Union has less than two hundred (200), the
36 International Secretary-Treasurer shall allocate such membership to
37 some other unit of the Local Union in such a manner as will result in
38 the maximum number of delegates.

39 **Section 6.** Each unit of an Amalgamated Local Union shall be
40 allotted its share of the number of delegates in proportion to the
41 amount of per capita tax paid by the unit through the Amalgamated

Art. 8

1 Local Union. Any fractions remaining from the units following such
2 allocations shall be allotted to the Local Union's Joint Council, where
3 such body exists. Delegates representing the total of all fractions
4 shall be elected on the basis of one (1) for each eight hundred (800)
5 or major fraction thereof. Any member of the Local Union who
6 has qualified may be nominated and elected by the Joint Council,
7 provided s/he has not accepted nomination in her/his unit. In order
8 to be eligible for nomination as a delegate representing a unit of an
9 Amalgamated Local Union, s/he must be a member of such unit.

10 **Section 7.** Each Local Union shall have one (1) vote for the first
11 one hundred (100) members or less and one (1) additional vote
12 for each additional one hundred (100) members or major fraction
13 thereof, but no delegate shall have more than eight (8) votes. The
14 votes shall be equally apportioned among the elected delegates of
15 each Local Union, except that an Amalgamated Local Union may
16 apportion its votes in such manner as the Local Union decides with
17 no delegate having more than eight (8) votes. The total number of
18 votes of the units of an Amalgamated Local Union shall not exceed
19 the total votes which the Local Union is entitled to under Section 9
20 of this Article of the Constitution.

21 **Section 8.** Local Unions may elect alternate delegates if they
22 so desire. The number of alternates may be less but not more than
23 the number of regular delegates. Local Unions shall determine
24 the manner and order in which an alternate will replace a regular
25 delegate and shall so advise the Credentials Committee. Regular
26 delegates may be replaced only if recalled by their Local Union in
27 the manner they were elected or if unable to serve.

28 **Section 9.** The number of members in each Local Union, for the
29 purpose of this Article, shall be determined by the average number of
30 monthly per capita taxes paid by the Local Union to the International
31 Union for the period from and including the sixth month preceding
32 that in which the last quadrennial Convention was held to not less
33 than six (6) months nor more than seven (7) months prior to the
34 next Convention for which representation is to be determined. Per
35 capita from Local Unions shall be accepted in the regular manner.

36 Local Unions or units of Amalgamated Local Unions which
37 have engaged in authorized strikes or in lockouts shall have their
38 representation to the International Convention determined
39 by having subtracted from the base period the months of such
40 authorized strikes or lockouts in which the membership of the Local
41 Union or unit of an Amalgamated Local Union did not work in the

Art. 8

1 workplace forty (40) or more hours.

2 **Section 10.** Not less than ninety (90) days previous to the
3 convening of the Regular Convention, the International Secretary-
4 Treasurer shall issue the Call to the Convention and shall furnish
5 all Local Unions with credentials and alternate credentials. **Such**
6 **credentials must be completed by the delegate(s) and alternate**
7 **delegate(s) and verified by the Local Union President and**
8 **Recording Secretary.** Each credential and alternate credential shall
9 be **submitted** to the International Secretary-Treasurer **through**
10 **the Local Union Information System (LUIS), or by such other**
11 **means as specified by the International Secretary-Treasurer.** In
12 convening Special Conventions, not less than thirty (30) days shall
13 be required to issue the Call.

14 **Section 11.** No member is eligible to serve as a delegate from her/
15 his Local Union unless s/he has been in continuous good standing
16 in this International Union for twelve (12) months immediately
17 preceding the first day of the month in which the Convention is
18 held and shall also have been a member of the Local Union electing
19 her/him for three (3) months immediately preceding the first day
20 of the month in which the Convention is held. For the purpose of
21 this Section of the Constitution, members must pay their dues or
22 secure out-of-work receipts in accordance with the provisions of this
23 Constitution.

24 **Section 12.** Local Unions in order to be entitled to
25 representation at the Convention shall have been affiliated with
26 the International Union for at least three (3) months prior to the
27 holding of the Convention. New Local Unions shall have paid
28 at least two (2) months' full per capita tax prior to the month in
29 which the Convention is to be held. If such newly chartered Local
30 Union has been in existence since the preceding Convention, it
31 shall be entitled to its full quota of delegates based upon the average
32 number of months per capita tax paid to the International Union
33 during the period of time since the preceding Convention. With
34 respect to newly chartered Local Unions who received their charter
35 subsequent to the last Convention, representation shall likewise
36 be based upon the per capita tax paid to the International Union,
37 averaged over the period of time from the preceding Convention.
38 In the case of an Amalgamated Local Union where a workplace has
39 been organized for over a year and secures a separate charter, it shall
40 not be considered a new Local Union. Members representing Local
41 Unions or unit organizations within Amalgamated Local Union
42 which have not been in existence for twelve (12) months prior to

Art. 8

1 the Convention, shall be exempt from the provisions of Section 11 of
2 this Article, provided they become members of their Local Union or
3 unit organization not later than thirty (30) days after the issuance of
4 or acceptance under the charter thereof.

5 **Section 13.** Each member of the International Retired Workers
6 Advisory Council shall automatically be a delegate to the UAW
7 Constitutional Convention with voice and one (1) vote, as provided
8 in Article 55, Section 4(f) of this Constitution.

9 **Section 14.** International Officers and International
10 Representatives of the International Union shall have a
11 voice but no vote in the Convention of the International Union
12 unless they are duly accredited delegates from Local Unions.
13 Any member who is eligible may be elected to office whether
14 or not s/he is a delegate to the International Convention.

15 **Section 15.** Copies of all resolutions and constitutional
16 amendments to be considered by the Convention must be approved
17 by the Local Union membership and sent to the International
18 Secretary-Treasurer not later than six (6) weeks prior to the date set
19 for the Convention. These will then be sorted and distributed by the
20 International Secretary-Treasurer among the chairpersons of the
21 various and proper committees. Protests of delegate elections must
22 be received by the International Secretary-Treasurer by whichever of
23 the following dates occurs first: (1) Not more than seven (7) days after
24 the Local Union delegate election or (2) not less than twenty-one
25 (21) days prior to the convening of the Convention. These protests
26 shall be referred to the Credentials Committee and the Credentials
27 Committee may waive failure to comply with the foregoing time
28 limitation where the interests of justice would require.

29 **Section 16.** The International Executive Board shall select from
30 the credentials of the delegates presented, a Constitution Committee,
31 which shall assemble at least two (2) weeks prior to the meeting of
32 the Convention at the place designated. It shall be the duty of said
33 Committee to take up all recommendations concerning changes or
34 additions to the Constitution submitted by the International Officers,
35 International Executive Board and Local Unions to act thereon. This
36 Committee shall have authority to originate amendments to the
37 Constitution.

38 **Section 17.** (a) The International Executive Board shall select
39 from the credentials of delegates a Credentials Committee, which
40 shall assemble at least ten (10) days prior to the meeting of the

Art. 8

1 Convention. The Committee shall examine all credentials received at
2 the International Office and investigate the standing of the delegates
3 and the Local Unions they represent; they shall receive the original
4 credentials of the delegates elected to attend the Convention, and be
5 in a position to report at the opening of the Convention.

6 (b) All election protests regarding the election of any delegate to
7 the Convention must be filed with the Credentials Committee not
8 more than seven (7) days after the Local Union delegate election
9 or not less than twenty-one (21) days prior to the convening of
10 the Convention, whichever occurs first, absent a waiver of those
11 limits by the Credentials Committee. The protest must be filed by a
12 member of the Local in question, or may be raised by any member of
13 the Credentials Committee itself. The protest may raise any subject
14 related to the election of the Local's delegates, including the conduct
15 of the campaign, or use of union or employer assets.

16 (c) All other election protests of elections held under Article
17 10 (International Officers and Regional Director), even though not
18 touching the election of an identifiable delegate(s), must also be filed
19 with the Credentials Committee, which has exclusive jurisdiction.
20 Thus, any protest of the conduct of the campaign for these offices,
21 or the alleged use of union or employer funds in the campaign, or
22 of any other matter said to affect the election, must be filed with
23 the Credentials Committee. Any such protest must be made in
24 writing, as soon as possible, even though the Credentials Committee
25 is already in session. Such a protest may be made by any UAW
26 member, or the issue may be raised directly by any member of the
27 Credentials Committee itself.

28 (d) If, prior to the holding of an election of delegates, a clear
29 violation of the International Constitution or the Local Union's
30 Bylaws occurs in the pre-election procedures, the International
31 President shall have the authority to order a correction of the
32 violation prior to the holding of the election. Such action by the
33 International President is subject to appeal to the Credentials
34 Committee.

35 (e) While the Credentials Committee sits, it has full authority to
36 receive such election protests, evaluate them, and report its findings
37 and recommendation to the full Convention. The Convention
38 itself is the final authority, and so makes the final disposition of all
39 election protests, whether presented by the Credentials Committee,
40 or directly entertained, by permission of delegates under the
41 Convention Rules, on the floor.

Art. 8

1 (f) If the Credentials Committee should decide that an election in
2 any Local Union has been improperly conducted and that delegates
3 elected in such election should not be seated, the Credentials
4 Committee may, jointly with the International President when s/
5 he is satisfied that the necessary Constitutional interpretations have
6 been reasonably applied, order the delegate election to be rerun
7 in such Local Union prior to the opening of the Convention. This
8 rerun of the initial election shall be supervised by a Sub-Committee
9 of the Credentials Committee. All notices and other time limitations
10 provided for in this Constitution shall be automatically waived for
11 any such rerun election, provided that every effort shall be made to
12 give the maximum notices permitted by the circumstances.

13 (g) If the Convention approves the Credentials Committee's
14 report and recommendation on the initial election, the delegates
15 elected in the rerun shall be seated if confirmed by the Credentials
16 Committee and Convention. If the Convention should reverse the
17 Credentials Committee and approve the initial election, the delegates
18 elected in such initial election shall be seated and the International
19 Union shall reimburse the Local Union for the cost of rerunning the
20 election.

21 **Section 18.** The International Executive Board shall select
22 from the credentials of delegates to each International Convention
23 a Resolutions Committee of not less than seven (7) members,
24 which shall assemble at least ten (10) days prior to the convening
25 of the Convention. It shall be the duty of the said Committee to
26 consider such resolutions as may be properly referred to it under
27 this Constitution. This Committee shall have authority to originate
28 resolutions to be presented at the Convention.

29 **Section 19.** The International Executive Board shall select from
30 the credentials of delegates to each International Convention, the
31 several other committees necessary to successfully promote and
32 execute the efficient operation of the Convention. Such committees
33 shall convene not later than two (2) days prior to the opening of the
34 Convention.

35 **Section 20.** All Convention Committees shall have an odd
36 number of, and not more than thirteen (13) members.

37 **Section 21.** Following the issuance of the Convention Call by
38 the International Secretary-Treasurer, each Local Union shall issue
39 a Call for the nomination of its delegates to the Convention. In the
40 absence of a democratically elected standing Election Committee

Art. 8-9

1 (Article 38, Section 10), an Election Committee shall be nominated
2 and elected by the Local Union at a regular or a specially called
3 meeting for that purpose of which at least seven (7) days' notice
4 shall be given. The Election Committee shall handle all the details
5 insofar as they relate to the procedure of the election, and adopt such
6 safeguards as are necessary to insure a fair election.

7 **Section 22.** The nomination of delegates to the Convention may
8 occur at the meeting at which the Election Committee is elected
9 or at a later date, but in either case at least seven (7) days' notice
10 shall be given. After the deadline on accepting nominations has
11 expired, no election of so-called "sticker" or "write-in" candidates
12 shall be considered legal. A list of nominees shall be available to the
13 membership. Candidates shall not serve on the Election Committee
14 or as challengers or observers.

15 **Section 23.** Delegates to the International Convention shall
16 be elected by secret ballot of the Local Union of which they are
17 members and in no case shall be appointed.

18 Elections for Convention Delegates must take place no later than
19 thirty (30) days prior to the convening of the Convention.

20 **Section 24.** At least seven (7) days shall elapse between the
21 time of nomination of delegates and the date the election shall take
22 place. All members shall be duly notified, at least fifteen (15) days
23 in advance, of the time and place of said election and the hours the
24 polls will be open. Polling places must be open a sufficient number
25 of hours on one (1) or more days to allow all members of the Local
26 Union an opportunity to cast their ballots. Each member shall
27 personally cast her/his vote at the polls.

28 **Section 25.** Local Union action to instruct a delegate does not
29 serve to commit or bind the delegate on any issue s/he may vote on
30 at the Convention.

8 Treasurer, **three (3)** International Vice Presidents, who shall be
9 elected by the Convention, and such International Executive Board
10 Members as provided in Section 21 of this Article. In the event of the
11 death, removal, or resignation of any of the **three (3)** Vice Presidents
12 at any time after July 1, 2014, the International Executive Board shall
13 have the authority to reduce the number of Vice Presidents from
14 **three (3)** to **two (2)**. The duties of the Vice Presidents shall be to
15 assist the International President.

16 **Section 2.** Within the geographical districts as determined
17 by the International Constitution, the International Executive
18 Board Members shall be nominated and elected in the regions as
19 established by the International Executive Board and existing on the
20 actual day any such election commences. Only the delegates from
21 the Local Unions in such regions shall nominate and vote for their
22 International Board Members. Any member in continuous good
23 standing for one (1) year, and who has worked at least ninety (90)
24 working days in a workplace(s) located within the region, whose
25 Local Union is located within the region can be nominated and
26 elected. It shall require a two-thirds (2/3) vote of the International
27 Executive Board to change the composition of any region within a
28 geographical district.

29 **Section 3.** The term of office of all elective officers shall be for the
30 period up to the next Convention and the term of office shall begin
31 immediately upon installation. The term of office of the Trustees
32 shall be as provided for in Article 51.

33 **Section 4.** Nomination and election of all elective officers and
34 Trustees shall take place in the regular order of business of the
35 Convention and election shall be determined by a majority vote of
36 the delegates voting. Candidates shall be elected to various offices
37 by one (1) roll-call vote. In the election of the Vice Presidents each
38 delegate may vote for **three (3)** candidates. If there are eight (8)
39 or more nominees for the **three (3)** offices and less than **three (3)**

Art. 10

1 candidates receive a majority vote, the candidate receiving the lowest
2 number of votes shall be eliminated from the run-off election, and
3 in each successive run-off election the candidate receiving the lowest
4 number of votes shall be eliminated, unless such elimination would
5 result in reducing the number of candidates in nomination to a
6 figure equal to the remaining vacancy or vacancies.

7 **Section 5.** All elections of International Officers and
8 International Executive Board Members shall be by roll-call vote.
9 In any election for International President, International Secretary-
10 Treasurer, International Executive Board Member, or International
11 Trustee where there are three (3) or more candidates and, on the first
12 ballot no such candidate receives a majority, there shall be a run-off
13 between the two (2) candidates who received the highest number of
14 votes on the first ballot.

15 **Section 6.** No member shall be nominated or elected as an
16 elective officer of the International Union, as set forth in Section 1
17 of this Article, who has not been in continuous good standing for a
18 period of one (1) year preceding the date of nomination.

19 **Section 7.** No member of any Local Union shall be eligible
20 to hold any elective or appointive position in this International
21 Union or any Local Union in this International Union if s/he is a
22 member of or subservient to any political organization, such as the
23 Communist, Fascist or Nazi Organization which owes its allegiance
24 to any government other than the United States or Canada, directly
25 or indirectly.

26 **Section 8.** No member of any Local Union shall be eligible to
27 hold any elective or appointive position in the International Union,
28 or any Local Union, if s/he is affirmatively engaged in the promotion,
29 implementation, furtherance, or support of organized workplace
30 rackets, such as numbers, bookmaking, etc.

31 **Section 9.** The acceptance of an elective or appointive office
32 or position or of nomination to an elective office or position by
33 any member who is ineligible under Sections 7 or 8 of this Article
34 is an offense against the Union punishable by a penalty up to and
35 including expulsion.

36 **Section 10.** When a charge is preferred that a member is
37 violating Section 9 of this Article, it shall be made and the accused
38 member shall be tried according to the appropriate provisions of
39 Articles 30 and 31. Resignation from an elective office or appointive

Art. 10

1 position, or withdrawal of candidacy by any member charged with
2 violation of Section 9 shall not require the dismissal of such charges.

3 **Section 11.** Upon conviction of a member by a Trial Committee
4 of a Local Union or by an International Union Trial Committee of
5 violation of Section 9 of this Article, any elective or appointive office
6 or position then held by such member shall be automatically vacated
7 regardless of any other penalty imposed.

8 **Section 12.** No member of any Local Union shall be eligible to
9 hold or seek any elective or appointive position in the International
10 Union, or in any Local Union, if s/he affirmatively engaged in: the
11 promotion, implementation, furtherance or support of any other
12 union or collective bargaining group with the purpose or intent
13 of supplanting the International Union, or any subordinate body
14 thereof, as the recognized collective bargaining agent; in efforts to
15 decertify the International Union or any subordinate body thereof
16 as the recognized collective bargaining agent; or aiding or abetting
17 an employer or another Union to thwart organizing efforts by the
18 UAW to become the bargaining agent. If, upon investigation by
19 the International Union, it should appear by convincing evidence
20 that any member is in violation of this Section, the International
21 President, or the International Executive Board, may summarily
22 suspend that member from any office or position, or the right to
23 seek such office or position. Said suspended member shall be
24 promptly notified and, within thirty (30) days of such notification,
25 may appeal the suspension, in which case the member's appeal shall
26 be processed in the same manner as appeals to the International
27 Executive Board from decisions of subordinate bodies under
28 Article 33 of this Constitution; provided that the suspension shall
29 automatically be lifted unless the International Executive Board has
30 rendered its decision within one hundred twenty (120) days of the
31 day the appealing member commences an appeal.

32 If the suspended member fails to appeal from the suspension
33 within the thirty (30) days allowed, or if the International Executive
34 Board upon review upholds the suspension by a two-thirds (2/3)
35 vote, the member shall be considered removed from any office or
36 position s/he may have held, as well as from the privilege of seeking
37 election or appointment to any office or position, and the member
38 shall not thereafter be eligible to hold any office or position unless
39 and until the removal has been lifted by a two-thirds (2/3) vote of the
40 International Executive Board. Any member so suspended, who has
41 taken an appeal to the International Executive Board without having
42 the suspension lifted, may appeal the suspension either to the Public

Art. 10

1 Review Board or the Convention Appeals Committee as provided
2 for in Article 33 of this Constitution. The procedure provided in
3 this Section shall be in addition to, and exclusive of any other action
4 which may be taken against such member.

5 **Section 13.** No member removed from office or position by
6 reason of a conviction of any offense enumerated in Section 17 of
7 Article 31 by a Local Union Trial Committee, shall be restored to
8 office or position by reason of a reversal of such conviction by the
9 body, which elected the Trial Committee, until after the lapse of
10 sixty (60) days following such reversal, without a review having been
11 ordered by the International Executive Board.

12 **Section 14.** Whenever any member removed from elective
13 office or position by reason of having been convicted of an offense
14 shall have taken an appeal under Article 33, and whenever a review
15 of any such conviction shall have been ordered by the International
16 Executive Board under Section 18 of Article 31, the vacancy in office
17 or position may be filled according to the applicable provisions of
18 Section 14 of Article 38 or Section 15 of this Article, but any successor
19 in such office or position shall hold the office or position subject to
20 the right of restoration of the removed officer upon reversal of her/
21 his conviction, subject to Section 13 of this Article.

22 **Section 15.** No member shall be entitled as a matter of right
23 to restoration to any appointive position by reason of acquittal or
24 reversal of a conviction.

25 **Section 16.** Incoming elective officers of the International
26 Union shall be obligated and installed immediately after being
27 elected. The obligation shall be the same as that provided for Local
28 Union officers.

29 **Section 17.** Unless the International Executive Board exercises
30 the authority to reduce the number of Vice Presidents as described in
31 Article 10, Section 1, in the event of the death, removal or resignation
32 of the International President, International Secretary-Treasurer, or
33 any of the International Vice Presidents, the officer shall be replaced
34 by majority vote of all members of the International Executive Board
35 by a member eligible to be a candidate in accordance with Section 6
36 of this Article.

37 In the event of the death, removal or resignation of an
38 International Trustee, the International Executive Board shall
39 elect a replacement to serve until the next regular Constitutional
40 Convention.

Art. 10

Section 18. In the event a vacancy occurs on the International Executive Board because of the death, removal, promotion of a member or other cause, the International Executive Board shall, within thirty (30) days, call a special regional convention for the region which the International Executive Board Member represented. Such vacancy shall be filled by a member elected by the delegates from the Local Unions in the region. In the event of such vacancy occurring within sixty (60) days before a regular Constitutional Convention, no election shall take place and the office shall remain vacant. In any such special regional convention, the delegates from each Local Union who had been elected to the preceding regular Constitutional Convention shall serve as delegates to the Special Convention. Each Local Union shall carry the same total vote as it carried at such previous regular Constitutional Convention.

If there are vacancies in the voting delegation, they shall be filled in the following manner:

(a) By alternates where the same were elected to the preceding Constitutional Convention;

(b) If the number of delegates is insufficient after applying (a), by reapportioning the votes of the Local Union among the remaining delegates to the extent permitted by Section 7 of Article 8;

(c) If the number of delegates is insufficient after applying (a) and (b), by electing additional delegates, these additional delegates to be nominated and elected by secret ballot at successive membership meetings; the required notices for such nomination and election being those set forth in Sections 22 and 24 of Article 8.

Section 19. The International Executive Board shall consist of the International Executive Board Members elected from the regions together with the International President, International Secretary-Treasurer and the International Vice Presidents.

Section 20. Voting strength of International Executive Board Members:

(a) Questions coming before the International Executive Board may be decided by unit vote of its members, but any member may demand a roll-call vote on any question.

(b) Each member of the International Executive Board shall have one (1) vote for each one thousand (1,000) members or major fraction thereof represented by the member in her/his region.

Art. 10

(c) Voting strength of each region shall be computed on the basis of average monthly per capita tax payments from each respective region through the period of twelve (12) months commencing thirteen (13) months preceding each quarterly meeting of the International Executive Board. The voting strength of Executive Board Members at special Executive Board Meetings shall be on the basis as at the preceding regular Executive Board Meeting.

(d) The International President, International Secretary-Treasurer and the International Vice Presidents, shall each carry the same number of votes, which shall be equal to the average of the votes cast by the remaining members of the International Executive Board.

(e) Members of the International Executive Board may cast their votes by proxy.

Section 21. The geographical districts and the number of International Executive Board Members for each district of the International Union in the United States and Canada shall be as listed below.

1. Michigan, Canada.....Regions 1, 1A, and 1D

Initiation Fees and Dues

13 **Section 1. (a) Each new member will pay an** initiation fee, no
14 part of which shall be considered as a Local Union fine, **of** not less
15 than ten dollars (\$10.00) **and not** more than fifty dollars (\$50.00) for
16 membership in a Local Union of the International Union. **From the**
17 **initiation fee paid by each member: (i)** Five dollars (\$5.00) shall be
18 set aside in **the Local Union's** new member orientation fund, to be
19 expended with the approval of the Regional Director; **and (ii) one**
20 **dollar (\$1.00) will be forwarded to the International Secretary-**
21 **Treasurer.**

22 (b) A Local Union may increase its initiation fee, within the
23 limitations set forth in paragraph (a) of this Section, in accordance
24 with the procedures of Article 47, Section 1.

25 (c) Men and women returning from service in the Armed Forces
26 of the United States shall be exempt from payment of an initiation fee
27 upon presentation of military discharge papers to the Local Union
28 Financial Secretary within one (1) year of the date of their discharge.

29 **Section 2. Beginning August 2014, in order to remain a**
30 **member in good standing, each member will pay a minimum**
31 **monthly dues amount** to the Financial Secretary of the Local Union
32 **as set forth below.**

33 (a) **For those members who work in either the private sector**
34 **or public sector with a legal right to strike, the minimum monthly**
35 **dues will be an amount equivalent to: (i) 2.5 hours of straight time**

Art. 16

1 pay for members working full time paid on an hourly basis, or (ii)
2 1.44% of gross straight time monthly wages for members paid on
3 a salaried basis and for members employed part-time and paid on
4 an hourly basis.

5 (b) For those members who work in the public sector and
6 are legally prohibited from striking, the minimum monthly dues
7 will be an amount equivalent to: (i) 1.9 hours of straight time pay
8 for members working full time paid on an hourly basis, or (ii)
9 1.095% of gross straight time monthly wages for members paid
10 on a salaried basis and for members employed part-time and paid
11 on an hourly basis.

12 (c) For those members paid by the hour, day, week or
13 month, the dues **computation referenced in subsections (a) and**
14 **(b) above** shall be based on the amount earned per straight time
15 hour in the last payroll period worked before the dues are payable,
16 including cost-of-living allowance and any other amounts normally
17 considered as part of regular pay, but excluding shift premium. For
18 those whose earnings vary, straight time earnings for the purpose of
19 dues computation shall be based on the average earned per hour in
20 the last month the member worked, including incentive earnings,
21 cost-of-living allowance, clock hour add-ons and any other amounts
22 normally considered as part of the regular pay, but excluding
23 shift premium, overtime premium, Saturday, Sunday and holiday
24 premiums.

25 (d) For those members paid on a part-time basis or those
26 members paid on a salary basis where the number of hours of work
27 in a week vary and/or regularly have no relationship to a normal
28 workweek, the dues computation shall be based on their straight-
29 time gross monthly wages in accordance with subsections (a) and
30 (b) above.

31 (e) The minimum dues required for certain negotiated
32 payments and bonuses such as contract signing bonuses and
33 profit sharing payments will be calculated as set forth herein: (i)
34 1.44% for those members who work in either the private sector or
35 public sector with a legal right to strike; and (ii) 1.095% for those
36 members who work in the public sector and are legally prohibited
37 from striking.

38 (f) Nothing in this Article shall prevent any Local Union
39 or unit of an Amalgamated Local Union from establishing, in

Art.16

1 accordance with the provisions of Article 47, dues in a greater
2 amount than provided for in this Article; and any Local Union or
3 unit, which at the time when minimum monthly membership dues
4 are increased pursuant to the provisions of this Article, has dues
5 in a greater amount than the minimum monthly membership dues
6 pre-existing, the change shall automatically increase its dues by the
7 amount of the change without the necessity of any additional Local
8 Union or unit membership action and such Local Union dues shall
9 continue until the Local Union's or unit's membership, pursuant to
10 the provisions of Article 47, changes the Local Union's or unit's dues
11 structure.

12 All dues established by this Article shall be uniformly required
13 of all its members by each Local Union or unit of an Amalgamated
14 Local Union except as specific exoneration or special arrangement
15 may be granted pursuant to Section 11 of Article 13, or Section 17
16 of this Article.

17 (g) **Article 16, Section 2(a) and Section 2(b) shall be subject**
18 **to reaffirmation at the 37th Constitutional Convention in June**
19 **2018.**

20 **If not reaffirmed, minimum monthly dues shall revert back**
21 **to 2010 levels. All other pertinent sections of Article 16 shall be**
22 **adjusted accordingly.**

23 **Section 3.** (a) Where required by the necessities of collective
24 bargaining, a Local Union, or an Intra-Corporation Council and its
25 affiliates, may, with International Executive Board authorization,
26 double their monthly dues in each of not more than four (4) months
27 preceding the terminal date of the old contract, or following the
28 ratification of a new agreement.

29 (b) Each Local Union which is authorized to double its monthly
30 dues shall be required to place half of such dues in trust for each
31 month collected, until it has been determined by the International
32 Executive Board whether such additional dues shall be applied to
33 future dues, or refunded to each member.

34 **Section 4. The International Union shall provide an official**
35 **membership card or other suitable identification of membership**
36 **to all Local Unions.**

Art. 16

1 Section 5. Dues income collected under Section 2 of
2 this Article will be allocated between the Local Union, the
3 International Union General Fund and the International Union
4 Strike and Defense Fund as follows.

5 (a) For the first two hours (or 1.15%) of dues income
6 collected from members under Section 2(a) of this Article or
7 the first 1.4 hours (or 0.805%) of dues income collected from
8 members under Section 2(b) of this Article: (i) the Local Union
9 shall receive 38%; (ii) the International Union General Fund shall
10 receive 32%; and (iii) the International Union Strike and Defense
11 Fund shall receive 30%.

12 (b) The remaining one half (0.5) hours of dues income (or
13 .29%) shall be allocated entirely to the International Union Strike
14 and Defense Fund.

15 Section 6. Each Local Union must remit to the International
16 Secretary-Treasurer a monthly per-capita tax equal to the portion
17 of each member's dues income allocated to the International
18 Union General Fund and International Union Strike and Defense
19 Fund as specified in Sections 5(a)(ii) and 5(a)(iii) and 5(b) of this
20 Article.

21 Section 7. (a) All per capita taxes and all other monies collected
22 for the International Union shall be transmitted to the International
23 Secretary-Treasurer by the twentieth of each month following
24 collection. All such per capita taxes and other monies are strictly
25 the property of the International Union and in no case shall any
26 part thereof be used by Local Unions, except upon permission of the
27 International Executive Board.

28 (b) A Local Union failing to pay full per capita tax due the
29 International Union within a two (2) month period, shall stand
30 automatically suspended until the Local Union has been reinstated
31 through payment of deficiency incurred, unless exonerated from
32 payment of same as provided for in this Constitution.

33 Section 8. A Local Union failing to pay all of its financial
34 obligations due the International Union shall not be entitled to a
35 voice or vote at the International Convention.

36 Section 9. From the dues income allocated to the Local
37 Union in accordance with Section 5(a)(i) of this Article, the Local
38 Union shall set aside five cents (.05) of each month's dues payment

Art. 16

1 as a Citizenship and Legislative Fund to be used for the purpose of
2 strengthening democracy by encouraging members, and citizens
3 generally, to register and vote in community, state, and national
4 elections and to carry on organizational and educational programs
5 directed toward the achievement of an even higher understanding of
6 citizenship responsibility and the need for active participation in the
7 affairs of a free and democratic society. Local Unions are obligated to
8 carry out such programs in conjunction with city, county, and state
9 (CAP) councils. Three cents (.03) of each month's dues payment
10 must be set aside by the Local Union as a special fund to be used
11 only for educational or recreation-leisure time activities as outlined
12 in Article 27 of this Constitution, provided that two cents (.02) shall
13 be apportioned to education and one cent (.01) apportioned to
14 recreation-leisure time activities. One cent (.01) of each month's dues
15 payment must be set aside by the Local Union as a Retired Members
16 Fund to be used only to promote and support programs benefiting
17 retired members. Local Unions are obligated to carry out this policy
18 in conjunction with community groups, where community groups
19 exist, for the purpose of promoting and supporting programs
20 benefiting retired members and other retired workers.

21 Section 10. From the portion of dues income allocated to the
22 International Union General Fund in accordance with Section
23 5(a)(ii) of this Article, the International Union shall set aside:

24 (a) Five cents (.05) which shall be expended only for
25 communication programs as described in Article 29, Section 1.

26 (b) One cent (.01) to the Civil and Human Rights Fund to be
27 expended only for the support and promotion of the programs and
28 activities of the International Union in support of fair employment
29 practices and in opposition to all discriminatory practices in
30 employment.

31 (c) Three cents (.03) as the International Union Education
32 Fund to be expended only for the programs and activities of the
33 International Union Education Department.

34 (d) One cent (.01) as the International Union Recreation Fund
35 which fund shall be apportioned to each region on a per capita basis.

36 (e) Five cents (.05) as the Special Citizenship Fund to be used for
37 the purpose of strengthening democracy by encouraging members
38 and citizens generally to register and vote in community, state and
39 national elections and to carry on organizational and educational

Art. 16

1 programs directed toward the achievement of an ever higher
2 understanding of citizenship responsibility and the need for active
3 participation in the affairs of a free and democratic society.

4 (f) One cent (.01) for the International Union Retired Workers
5 Fund, which one cent (.01) shall be used only to promote and
6 support programs benefiting retired members including such
7 programs of the International Union relating to retired members as
8 may be adopted from time to time, and to finance the operation of
9 the International Union Retired Workers Department.

10 **Section 11. (a) From the portion of dues income allocated to**
11 **the International Union Strike and Defense Fund in accordance**
12 **with Sections 5(a)(iii) and 5(b) of this Article, where a 2/3 vote**
13 **by the International Executive Board supports the purpose, the**
14 **International Union shall set aside all amounts received to be**
15 **drawn upon exclusively for the purposes of (1) aiding Local Unions**
16 **engaged in authorized strikes and in cases of lock-outs, and (2)**
17 **assisting by donations or loans other International Unions and non-**
18 **affiliated Local Unions similarly engaged, and (3) meeting financial**
19 **obligations or expenditures which this International Union or its**
20 **affiliated Local Unions incur as a result of authorized strikes or in**
21 **cases of lockouts, and (4) providing direct material support to**
22 **members seeking a fair contract who are legally prohibited from**
23 **striking, and (5) defend the rights of members to collectively**
24 **bargain.**

25 (b) The International Executive Board shall have the authority
26 to make additional, limited withdrawals from the International
27 Union Strike and Defense Fund, provided that (a) such additional
28 withdrawals shall not exceed sixty million dollars (\$60 million)
29 between any two consecutive Constitutional Conventions, and
30 (b) such withdrawals shall be permitted only to support specific
31 purposes or projects such as major organizing drives or other
32 initiatives intended to increase UAW membership, strengthen the
33 UAW's ability to bargain effectively and/or promote the interests of
34 the membership and working people generally.

35 (c) **The interest and earnings on investments received by the**
36 **International Union Strike and Defense Fund shall be allocated to**
37 **the International Union General Fund or to such other purpose**
38 **as the International Executive Board shall determine to be in the**
39 **best interests of the UAW.**

40 (d) No later than June 30, 2002, \$75 million shall be transferred
41 from the net resources of the Strike Assistance Fund to a newly

Art. 16

1 established Emergency Operations Fund. The assets of the
2 Emergency Operations Fund, including accrued interest and
3 earnings on investments, shall be available to finance operations of
4 the International Union in the event Operating Fund resources are
5 insufficient to sustain operations due to the effects of a protracted or
6 expensive strike, a series of strikes, or other events posing a serious
7 threat to the economic viability of the International Union.

8 **Section 12.** At least once each month the International
9 Secretary-Treasurer shall advise all Local Unions of the exact
10 **International Union Strike and Defense Fund balance.**

11 **Section 13.** For any month in which the net worth of the
12 **International Union Strike and Defense Fund is in excess of \$500**
13 **million, the International Union Strike and Defense Fund will**
14 **allocate the portion of dues income received in accordance with**
15 **Section 5(a)(iii) of this Article as follows:**

16 (a) 95% of the dues income received by the International
17 Union Strike and Defense Fund pursuant to Section 5(a)(iii)
18 of this Article will be rebated back to the Local Unions and the
19 International Union General Fund, with 53% of such amount
20 rebated to Local Unions and 47% of such amount rebated to the
21 International Union General Fund. The rebates referenced in this
22 subsection will be issued on a monthly basis.

23 (b) 5% of the dues received by the International Union Strike
24 and Defense Fund pursuant to Section 5(a)(iii) of this Article will
25 remain in the International Union Strike and Defense Fund to
26 be used for the purpose of paying strike assistance benefits paid
27 to striking members. In any month in which the actual strike
28 assistance benefits paid to striking members is less than the 5%
29 of dues received by the International Union Strike and Defense
30 Fund, the difference will be rebated back to Local Unions and
31 the International Union General Fund in the same proportion
32 described in Subsection 13(a) above. The rebates referenced in
33 this section will be issued once a year as a 13th "rebate" check.

34 **Section 14.** For any month in which the International Union
35 **Strike and Defense Fund's net worth falls below \$500 million, the**
36 **rebates referenced in Section 13 of this Article will stop until the**
37 **International Union Strike and Defense Fund net worth reaches**
38 **\$550 million. Once the International Strike and Defense Fund**
39 **net worth is in excess of \$550 million, the rebates referenced in**
40 **Section 13 will resume.**

Art. 16

Section 15. Local Unions must be in compliance with Article 16, Section 7 of the International Constitution to receive rebates.

Section 16. The International Executive Board shall be empowered, at its discretion, to arrange loans from Local Unions and other sources to supplement the International Union Strike and Defense Fund where conditions dictate and in this connection, may use any or all of the International Union's real or personal property to secure any such loan or loans. At least once each month the International Secretary-Treasurer shall advise all Local Unions of the exact International Union Strike and Defense Fund balance. The International Executive Board shall establish a program for strike relief which shall provide aid and assistance to members actively participating in an authorized strike or involved in a lockout and, as between such members, shall primarily base such aid and assistance upon the right of each member to participate in accordance with the member's family obligations.

Section 17. The International Executive Board on request of a Local Union or unit of an Amalgamated Local Union shall have the power to make special arrangements with respect to the dues schedules established in this Article, where unusual circumstances justify such arrangements.

Section 18. Notwithstanding any other provision of this Constitution, the International Union and each Local Union shall each hold title to its respective share of the dues income and initiation fees immediately upon receipt of those monies by the Financial Secretary of the Local Union.

Section 19. Upon acceptance of the application, membership shall date from the first day of the month for which dues are paid or dues check-off is authorized.

Section 20. (a) Any member shall have the right to object to the expenditure of a portion of her/his dues money for activities or causes primarily political in nature. The approximate proportion of dues spent for such political purposes shall be determined by a committee of the International Executive Board, which shall be appointed by the President, subject to the approval of said Board. The member may perfect her/his objection by individually notifying the International Secretary-Treasurer of the objection **in writing; provided, however, that such objection shall be timely only during the first thirty (30) days of Union membership and**

Art. 16

Section 20. **during the thirty (30) days following each anniversary of Union membership. An objection may be continued from year-to-year by individual notifications given during each annual thirty (30) day period. A valid objection and renewal must:**

- i. Be in writing;**
- ii. Be received within the 30 day window period;**
- iii. Include the last four digits of objector's social security number, a payroll number, a clock number, or other unique identifying number which is on file with the local union;**
- iv. Include objector's local union number;**
- v. Include objector's address; and,**
- vi. Include objector's signature.**

(b) If an objecting member is dissatisfied with the approximate proportional allocation made by the committee of the International Executive Board or the disposition of her/his objection by the International Secretary-Treasurer, s/he may appeal directly to the full International Executive Board and the decision of the International Executive Board shall be appealable to the Public Review Board or the Convention Appeals Committee at the option of said member.

Section 21. Any member who has not paid her/his dues during the calendar month in which they are due shall automatically become delinquent except as otherwise provided in this Article. In order to regain good standing membership, s/he must fully reinstate her/himself in accordance with Section 22 of this Article.

Section 22. The reinstatement fee established by a Local Union shall be not less than the regular initiation fee charged by the Local Union, plus the dues for each month of delinquency in dues up to either the date of automatic suspension or the date of reinstatement, as the Local Union in its discretion may determine, plus the current month's dues. Such reinstatement fee shall be uniformly applied to all delinquent members of the Local Union. Individuals suspended as a result of their failure to pay dues while employed in a workplace under the jurisdiction of another Local Union shall be dealt with in conformity with Article 17, Section 3.

Section 23. Local Unions may notify members of their delinquency. However, failure of the Local Union to notify the member of delinquency shall not exonerate such a member from automatic suspension except as provided in Section 32 of this Article.

Art. 16

Section 24. When a member has been suspended for non-payment of dues and the Financial Secretary or other officers of the Local Union accept such payment thereafter, acceptance of her/his dues shall not operate to exonerate or reinstate the member or to waive the provisions of the Constitution relative to forfeiture and reinstatement of members.

Section 25. The provisions of Section 21 of this Article shall not apply to a member who has entered the military service of the United Nations who shall be entitled to an honorable military service membership and whose membership in continuous good standing in the Local Union shall not be broken by such service, provided s/he reports to the Local Union at the time of entering such service or thereafter furnishes the necessary proof of military service. S/He shall become subject to the provisions of this Section at the end of such military service.

Section 26. Any member who has not worked forty (40) hours by reason of not having been scheduled to work forty (40) hours, or received benefits in lieu of work equivalent to forty (40) hours' pay within any calendar month, shall be entitled to exemption of payment of regular monthly dues. Benefits in lieu of work shall include the following: Supplemental Unemployment Benefits (or any equivalent type layoff benefit), vacation pay, holiday pay, jury duty pay, bereavement pay, and paid absence allowance, but shall not include the following: pension benefits, sick and accident benefits, and Workers' Compensation. Effective January 1, 1982, if a member receives Supplemental Unemployment Benefits (or any equivalent type layoff benefit) equal to or greater than fifty (50) percent of her/his gross pay for a forty (40) hour week, less statutory deductions, within any calendar month, then the member's dues shall be one (1) hour straight time pay per month. A member who has been laid off, is on leave of absence, or is discharged from regular employment who is covered by check-off provisions under which management notifies the Local Union of members who are on leave of absence, laid off, rehired, or discharged, shall automatically be considered as entitled to "out-of-work" credits, unless s/he has received benefits in lieu of work equivalent to forty (40) hours' pay as provided in the second paragraph of this Section. Any member in order to be entitled to "out-of-work" credits shall report her/his layoff, leave of absence, or discharge, in person or otherwise, to the Financial Secretary of her/his Local Union within one month of the date such action became effective. Any discharged member or any member who is covered by check-off as set forth above shall report immediately to the Financial Secretary of her/his Local Union any other employment s/he may

Art. 16

obtain during the period of the layoff leave of absence, or discharge. Any member not covered by check-off shall report to the Financial Secretary of her/his Local Union the termination of the layoff, leave of absence, discharge, or any other employment s/he may obtain during the period of the layoff, leave of absence, or discharge. Any member who is entitled to "out-of-work" credits pursuant to this Section and Section 2 of Article 17 shall be exempted from dues payment for the period of her/his entitlement.

Section 27. Any member who is entitled to "out-of-work" credits under Section 26 of this Article and who does not secure an honorable withdrawal transfer card, shall be presumed to continue to be entitled to "out-of-work" credits and thus remains in continuous good standing without the necessity of paying dues for the first six (6) months of such layoff or leave unless the member has had employment during this period which would necessitate her/his paying dues under the first paragraph of Section 26 of this Article or taking an honorable withdrawal transfer card under Article 17, Section 2. Unless any such member shall, during the last ten (10) day of such six (6) month period, certify in writing to the Local Union Financial Secretary, in person or by registered or certified letter, that s/he continues to be eligible for good standing membership without payment of dues pursuant to Section 26 of this Article and Article 17, Section 2, the member shall automatically be noted on the Local Union's records as having been issued an honorable withdrawal transfer card at the conclusion of said six (6) month period. If a member does certify as provided herein during the last ten (10) days of the six (6) month period, s/he shall continue to be eligible for "out-of-work" credits for each additional month if during the last ten (10) days of such month s/he similarly certifies. Such a member shall automatically be noted on the Local Union's records as having been issued an honorable withdrawal transfer card on the first day of such a month in which the member fails to certify as provided herein.

Section 28. Any member becoming out of work because of illness or injury shall be exempt from the above section. Such member shall be automatically exonerated from the payment of dues and shall be issued "out-of-work" credits provided good and sufficient proof is submitted to substantiate illness or injury. The above shall not apply to those employees who receive salaries equivalent to forty (40) hours' pay within any calendar month.

Section 29. Any member who has paid dues by check-off for any month for which the member is exempted from payment of dues under Sections 26, 27 and 28 of this Article shall be entitled

Art. 16

1 to a refund of such dues if s/he claims the same in person or in
2 writing from the Financial Secretary of the Local Union within two
3 (2) months following the month for which the refund is due. Any
4 member who has paid dues in advance other than by check-off for
5 any month for which the member is exempted from payment of dues
6 under Sections 26, 27 and 28 of this Article shall, when s/he returns
7 to work, be given credit on future dues for any such month.

8 **Section 30.** The Local Union shall use an electronic receipt
9 book or receipting register and form of official receipt furnished
10 by the International Union. A receipt shall be given to the member
11 by the Local Union. **This record will be made available to the**
12 **International Union.**

13 **Section 31.** Local Unions covered by check-off agreements or
14 having a check-off arrangement will be exempt from the provisions
15 of the preceding Section, providing the company clearly shows on
16 the check stub or pay envelope of each Union employee the amount
17 of the deduction and the reason therefore.

18 **Section 32.** The failure of a company to check off and pay to a
19 Local Union the dues of a member as required by a contract will
20 not make the member delinquent if the member has signed a Dues
21 Check-Off Authorization Card. Where a member has signed a Dues
22 Check-Off Authorization Card authorizing the deduction of dues
23 for a given month, the member shall be considered as having paid
24 dues for that month even though the company fails to deduct the
25 same. Upon the failure of the company to deduct dues, the Financial
26 Secretary of the Local Union must notify the member to pay her/
27 his dues. The member shall have thirty (30) days in which to pay
28 her/his dues after being notified. Failure on the part of the Financial
29 Secretary to so notify a member of her/his pending delinquency will
30 not affect the member's standing and s/he shall be considered in
31 good standing in the Local Union.

32 **Section 33.** **The International Union shall be authorized**
33 **to transfer \$85 million presently in its Emergency Operations**
34 **Fund – which has a current fund balance of \$112 million – to a**
35 **newly established VEBA trust which has been negotiated with**
36 **Staff Council, OPEIU and other authorized representatives of the**
37 **Union's employees. The International Executive Board shall be**
38 **authorized to enter into a formal settlement agreement resolving**
39 **its retiree health insurance obligations and establishing funding**
40 **obligations to the VEBA trust. Following this transfer to the**
41 **VEBA trust, the balance in the Emergency Operations Fund will**

Art. 16-17

1 **remain in place for the purposes described in Article 16, Section**
2 **11(d). In addition, in June 2014, the International Union shall be**
3 **authorized to make a one-time transfer of \$25 million from the**
4 **International Union Strike and Defense Fund to the International**
5 **Union General Fund.**

6 **ARTICLE 17**
7 **Honorable Withdrawal Transfer Cards**

8 **Section 1. The International Secretary-Treasurer shall make**
9 **honorable withdrawal transfer cards available to all Local Unions.**

10 **Section 2.** Any member laid off from her/his workplace
11 but regularly employed on jobs outside the jurisdiction of the
12 International Union shall take an honorable withdrawal transfer
13 card, or in order to maintain her/himself in good standing in her/
14 his Local Union, shall pay dues in accordance with Article 16 and
15 Article 47.

16 Any member who has voluntarily separated from the jurisdiction
17 of the UAW shall be issued a withdrawal card immediately by her/his
18 Local Union. The above shall not apply to those members who are
19 employed by or officially represent the UAW.

20 **Section 3.** Any member in good standing at the time of leaving
21 the jurisdiction of her/his Local Union shall establish her/his
22 membership in another UAW Local Union by either of the following:

10 International Executive Board Member accused shall continue to
11 function in her/his elected capacity unless a Special International
12 Executive Board Meeting is convened and votes by a two-thirds
13 (2/3) vote for suspension as otherwise provided in this Constitution.

14 **Section 5.** The first order of business at the Special International
15 Executive Board Meeting shall be the setting up of an International
16 Union Trial Committee. This Committee shall be chosen from
17 among present members in good standing who were seated delegates
18 at the preceding International Union Convention, but excluding any
19 such who, at the time of selection of the Trial Committee panel, are
20 officers or employees of the International Union or are members
21 of the International Executive Board. The name of each member
22 qualified as aforesaid for service on the Trial Committee shall be
23 written on a slip of paper on which shall also appear the number and
24 location of the Local Union from which s/he was a delegate, the said
25 slips being all of uniform size and appearance. The said slips of paper
26 shall be deposited in a box by the Secretary-Treasurer in the presence
27 of the International Executive Board and the box shall be sealed and
28 thoroughly shaken. The International Secretary-Treasurer shall then
29 open the container and the member of the International Executive
30 Board selected for that purpose and blindfolded shall draw the
31 names of fifty (50) delegates, one by one. After these names are
32 drawn they shall be read by the International Secretary-Treasurer in
33 the presence of the International Executive Board and each name in
34 succession shall be set opposite a number from one (1) to fifty (50).

35 **Section 6.** During the drawing of the names, the accused or her/
36 his personal representative shall have the right to be present, as may
37 the accuser or a representative of the accuser.

38 **Section 7.** Immediately following the drawing of the panel, the
39 Trial Committee shall be chosen. The accused and the accuser shall
40 each have the right to strike ten (10) names from the panel. Either
41 may waive the right in whole or in part, striking in such case, less

Art. 30

1 than ten (10) names, but the right of either party to strike ten (10)
2 names shall not be affected by any such waiver by the other. The
3 parties shall proceed alternately in striking names from the panel,
4 beginning with the accused.

5 **Section 8.** After these challenges have been made, the first
6 twelve (12) persons whose names remain on the list shall be notified
7 to report to the International Office within five (5) days to proceed
8 with the trial. Local Unions shall also be notified when any of their
9 members' names are drawn for service on the International Trial
10 Committee.

11 **Section 9.** Such an order shall be mandatory upon any member
12 of the Union receiving this notice. Should s/he fail to appear,
13 unless her/his absence is excused by a signed affidavit of illness or
14 Local Union emergency, attested to by the Executive Board of the
15 member's Local Union, such a member may be subject to charges in
16 her/his Local Union, and to expulsion.

17 **Section 10.** Upon a member's appearance at the International
18 Office, each member of the Trial Committee thus notified shall
19 produce affidavit attesting her/his membership in good standing in
20 her/his Local Union, signed by the Financial Secretary of the Local
21 Union.

22 **Section 11.** In case one (1) or more members of the Trial
23 Committee thus notified shall fail to appear for the above reasons
24 or fail to produce such certificate of membership in good standing,
25 the next member of the panel, numbering down from one (1) to fifty
26 (50) shall be notified to report.

27 **Section 12.** The International Trial Committee shall go into
28 session immediately upon arrival of the full panel and shall hear
29 the charges brought by the accuser and all the witnesses named for
30 substantiation, and shall hear the defense of the accused and all her/
31 his witnesses for substantiation. The Trial Committee shall decide its
32 own rules of procedure relating to the conduct of the trial and may
33 elect its own Chairperson and Secretary, providing that verbatim
34 minutes of all evidence shall be reported by a court stenographer.
35 The accused and the accuser shall have a right to be represented by
36 counsel.

37 **Section 13.** The Trial Committee, upon completion of the
38 hearing on the evidence and arguments, shall go into closed session
39 to determine the verdict and penalty. A two-thirds (2/3) vote shall

Art. 30-31

1 be required to find the accused guilty. In case the accused is found
2 guilty, the Trial Committee may, by a majority vote, reprimand the
3 accused or it may, by two-thirds (2/3) vote, suspend or remove the
4 accused from office, or suspend or expel her/him from membership
5 in the International Union.

6 **Section 14.** In case a Trial Committee finds the accused
7 innocent they may determine the honest or malicious intent of the
8 accuser. If they find the accuser guilty of obvious malice in filing the
9 charges, they may assess a penalty against her/him in accordance
10 with Section 13 of this Article.

11 **Section 15.** Charges against an International Officer or
12 International Executive Board Member, concerning her/his own
13 Local Union, shall not be filed according to Local Union trial
14 procedures, but in accordance with the above provisions.

15 ARTICLE 31
16 **Trials of Members**

17 **Section 1.** A charge by a member or members in good standing
18 that a member or members have violated this Constitution or
19 engaged in conduct unbecoming a member of the Union must be
20 specifically set forth in writing and signed by the member or members
21 making the charges. The charges must state the exact nature of the
22 alleged offense or offenses and, if possible, the period of time during
23 which the offense or offenses allegedly took place. Two (2) or more
24 members may be jointly charged with having participated in the
25 same act or acts charged as an offense or with having acted jointly in
26 commission of such an offense and may be jointly tried.

27 **Section 2.** Charges must be submitted to the Recording Secretary
28 of the Local Union or of the Unit Workplace Organization, as the
29 case may be, within sixty (60) days of the time the complainant first
30 became aware, or reasonably should have been aware, of the alleged
31 offense; provided, that if the charges are against the Recording
32 Secretary, they shall be submitted to the President of the Local Union
33 or the chief executive officer of the Unit Workplace Organization, as
34 the case may be, and provided further, that charges preferred against
35 one for acts or conduct detrimental to the interest of the Union or its
36 members, committed while s/he was out of the Union on withdrawal
37 card, shall be submitted within sixty (60) days from the time of the
38 deposit of her/his withdrawal card.

Art. 31

1 **Section 3.** Upon charges being submitted, it is mandatory that
2 a trial be held unless the charges are withdrawn by the accuser or
3 considered by the Union to be improper under this Article.

4 Prior to the notification to a member that charges have been filed
5 against her/him, the Local Union Executive Board or, in the case of
6 an Amalgamated Local Union, the Unit Workplace Organization of
7 which s/he is a member, shall review the charges and consider them
8 improper if:

9 (a) The charges do not state the exact nature of the alleged
10 offense as required by Section 1 of this Article;

11 (b) The charges are untimely under Section 2 of this Article;

12 (c) The act complained of does not sustain a charge of a
13 violation of the Constitution or conduct unbecoming a member of
14 the Union;

15 (d) The charges involve a question which should be decided
16 by the membership at a membership meeting and not by the trial
17 procedure.

18 (e) In all cases, an otherwise proper charge(s) must be
19 supported by substantial direct evidence, as well as the evidence of
20 at least one (1) corroborating witness, which, if not rebutted, would
21 establish all elements of the charge(s).

22 Both the accused and the accuser shall be notified in writing
23 of the Executive Board's or Unit Workplace Organization's
24 determination and either the accused or the accuser may appeal
25 from such determination, pursuant to Article 33, Section 3(d). Such
26 an appeal must be limited to the question of whether the charges
27 are proper or improper under items (a), (b), (c), (d) or (e) of this
28 Section.

29 If a trial is ordered by the Local Union Executive Board and this
30 order is appealed, no such trial shall be held until the matter has been
31 submitted to, and an order thereon received, from the International
32 President.

33 **Section 4.** A member against whom proper charges have
34 been filed shall be notified of such charges by receipted registered
35 or certified mail within seven (7) days after the charges have been
36 reviewed, as provided in Section 3 of this Article, by the Local Union

Art. 31

1 Executive Board or, in the case of an Amalgamated Local Union, by
2 the Unit Workplace Organization of which s/he is a member.

3 **Section 5.** A member preferring charges, and a member against
4 whom charges are preferred, shall be permitted representation by
5 counsel of the member's own choice; such counsel, however, shall be
6 required to abide by the Trial Procedure as established by the Trial
7 Committee and as outlined in this Constitution.

8 **Section 6.** A member against whom charges have been filed
9 may be suspended from any elective or appointive office or position
10 s/he may hold in her/his Local Union or Unit, as the case may be,
11 pending trial, by a two-thirds (2/3) vote at such Local Union or Unit
12 membership meeting.

13 **Section 7.** The accused member shall be tried by a Trial
14 Committee selected by drawing names from the members attending
15 the first Local Union or Amalgamated Local Union unit meeting
16 which is held at least five (5) days after the notification to the
17 member charged. The presiding officer at the meeting shall cause
18 uniform cards bearing the names of each member in attendance
19 at that meeting (with the exception of the presiding officer, the
20 presiding officer's designee to draw the cards, the charging member,
21 the charged member, and any representatives designated by either
22 of them as counsel), to be placed in a container. A list of the names
23 of members appearing on those cards shall be kept in the order in
24 which they are drawn.

25 (a) In Local Unions or units of Amalgamated Local Unions
26 with a membership of five hundred (500) or more, a total of nineteen
27 (19) names shall be so drawn. The names shall be read off in the
28 order in which drawn. It shall be an obligation of the membership
29 for any member whose name has been drawn to serve on the Trial
30 Committee; provided that any such member who feels that s/he
31 cannot serve for good and sufficient reasons may state those reasons
32 to the meeting and withdraw. If any of the nineteen (19) named
33 members shall so withdraw, additional names shall be drawn so that
34 the list shall again total nineteen (19). The charging member and
35 charged member, or their designated counsel, shall each have the
36 right to strike as many as five (5) names without stating any grounds
37 or reasons, it being intended that each side be limited to five (5)
38 challenges even though more than one (1) charged or charging
39 party is involved. The Trial Committee shall consist of the seven (7)
40 members whose names were first drawn, and neither withdrawn nor
41 stricken, and the next two (2) members in order of drawing who

Art. 31

1 have not been withdrawn nor stricken shall serve as alternates.

2 (b) In Local Unions authorized under Article 37, Section 4, to
3 hold annual general membership meetings with monthly meetings
4 of a workplace council, Trial Committees may be selected at the
5 monthly meetings of the plant or workplace council.

6 (c) In Local Unions or units of Amalgamated Local Unions
7 with a membership of more than two hundred (200) but less than
8 five hundred (500), the same procedure shall be followed except that
9 the total names drawn shall be twelve (12). The Trial Committee
10 shall consist of five (5) members and one (1) alternate, and the
11 parties shall be limited to three (3) challenges.

12 (d) In Local Unions or units of Amalgamated Local Unions
13 with a membership of two hundred (200) or less, the same procedure
14 shall be followed except that the total names drawn shall be eight (8).
15 The Trial Committee shall consist of three (3) members and one (1)
16 alternate, and the parties shall be limited to two (2) challenges.

17 (e) If the size of a unit of an Amalgamated Local Union is
18 such as to make application of Subsection (d) above impractical,
19 the delegate body, or the membership of the Amalgamated Local
20 Union if no delegate body exists shall be substituted for the unit
21 membership as the body from which the Trial Committee is to be
22 selected.

23 **Section 8.** Within seven (7) days after the Trial Committee has
24 been selected, the accused member shall be notified of the time and
25 place of the trial which shall be held not less than fifteen (15) days
26 nor more than thirty (30) days from the date of the member's receipt
27 of such notification. The Trial Committee shall submit its findings
28 to the Local Union not later than sixty (60) days from the time such
29 committee was selected.

30 All of the time periods provided herein may be extended by the
31 International President where, in her/his judgment, justice will be
32 served by such an extension.

33 **Section 9.** Any Officer, Executive Board Member or Joint
34 Council delegate, where such council exists, if charged with a
35 violation of the Amalgamated Local Union Bylaws or International
36 Constitution or if charged with being derelict in performing her/
37 his duties as a Local Union officer or failure to carry out the union
38 obligation which s/he accepted, shall be tried by a Trial Committee

Art. 31

1 selected either from the delegate body of such Amalgamated
2 Local Union, where such delegate body exists, or from a general
3 membership meeting where no delegate body exists. Any disciplinary
4 action taken by said Trial Committee against such Officer, Executive
5 Board Member, or Joint Council delegate shall be limited to her/
6 his membership in the Joint Council or governing body of the
7 Amalgamated Local Union.

8 **Section 10.** The Trial Committee, upon completion of the
9 hearing on the evidence and arguments, shall go into closed session
10 to determine the verdict and penalty. A two-thirds (2/3) vote shall
11 be required to find the accused guilty. In case the accused is found
12 guilty, the Trial Committee may:

13 (a) By a majority vote, reprimand the accused; or

14 (b) It may, by a two-thirds (2/3) vote, suspend or remove the
15 accused from office or suspend or expel her/him from membership
16 in the International Union.

17 The Trial Committee may not apply more than one (1) of the
18 above two (2) penalties against the accused.

19 **Section 11.** The Trial Committee shall thereupon report its
20 verdict and judgment to the body from which it was selected at the
21 membership meeting of that body next following the determination
22 of the verdict and judgment of the Trial Committee, after giving
23 the accused written notification of its verdict and judgment and
24 of said membership meeting. In case of a verdict of acquittal, such
25 verdict and judgment shall become final upon being reported at said
26 membership meeting and no further action may be taken, except as
27 provided in Section 17 of this Article. In case of a verdict of guilty,
28 such verdict and judgment shall become effective upon approval by
29 a majority vote taken by secret ballot at the membership meeting. In
30 case of a verdict of guilty, the membership meeting may, by a majority
31 vote taken by secret ballot, modify the verdict or order a new trial.
32 The vote shall first be upon the verdict of guilty. If such verdict is not
33 approved by such majority vote, the accused shall stand acquitted. If
34 the verdict of guilty is approved by such majority vote, the vote shall
35 then be upon the penalty recommended by the Trial Committee.
36 This vote shall be conducted by first voting by secret ballot upon
37 the penalty recommended by the Trial Committee. If a majority vote
38 supports the recommended penalty, it shall be considered approved.
39 If a majority vote rejects the recommended penalty, the membership
40 shall then decide upon an appropriate penalty by majority vote

Art. 31

1 by secret ballot. The Recording Secretary shall notify the accused
2 member in writing of the verdict and judgment resulting from that
3 meeting.

4 **Section 12.** A member, who is under suspension from
5 membership, including a temporary suspension, shall be required
6 to pay all dues during the period of suspension. Suspended
7 members shall not be entitled to "Out-of-Work" credits. In the
8 case of a workplace in which Union membership is a condition of
9 employment, suspension from membership, including temporary
10 suspension, shall not require removal from the job; provided that in
11 cases of extreme emergency, removal from the job may be required
12 by two-thirds (2/3) vote of the Local Union or unit membership
13 suspending the member or approving the member's suspension. In
14 the case of a workplace in which Union membership is a condition
15 of employment, expulsion from membership shall require removal
16 from the job. Application of this Section shall in all cases, however,
17 be limited by applicable state or federal laws, and no provision of this
18 Section shall be applied in any situation where the application would
19 violate any controlling state or federal law.

20 **Section 13.** In case the Trial Committee finds the accused
21 obviously innocent, it may determine the honest or malicious intent
22 of the accuser. Should the Trial Committee tentatively conclude that
23 the accuser was guilty of obvious malice, it shall so notify her/him
24 in writing and afford the accuser an opportunity for a hearing. If, as
25 a result of such hearing, it finds the accuser guilty of obvious malice
26 in filing the charges, it may assess a penalty against the accuser
27 in accordance with Section 10 of this Article. The procedures of
28 Sections 10 and 11 of this Article shall be followed.

29 **Section 14.** In the event the charged party is acquitted on her/
30 his trial, the Trial Committee may determine whether the accuser
31 should be reprimanded because the charge was frivolous or
32 insubstantial. Should the Trial Committee tentatively conclude that
33 the charge was frivolous or insubstantial, it shall so notify the accuser
34 in writing and afford the accuser an opportunity for a hearing. If,
35 as a result of such hearing, it finds that the charge was frivolous or
36 insubstantial, it shall submit to the membership of the body from
37 which it was selected, a recommendation that the accuser who
38 filed the frivolous or insubstantial charges, be assessed a penalty in
39 accordance with Section 10 of this Article. Such verdict and penalty
40 in relation to the accuser shall become effective only upon approval
41 of that membership. The procedures of Sections 10 and 11 of this
42 Article shall be followed.

Art. 31

1 **Section 15.** Any higher body to which an appeal from the
2 decision of the Trial Committee is made shall have the authority not
3 only to accept or reject the verdict, but may modify such a verdict or
4 order a new trial.

5 **Section 16.** Where a member against whom charges have been
6 filed has been duly suspended in compliance with the provisions
7 of Section 6 of this Article and has been found guilty by the Trial
8 Committee, s/he shall have the right to attend the meeting of the
9 Unit Workplace Organization or of the Local Union, as the case may
10 be, in which any verdict and judgment is presented for approval, and
11 shall be afforded full opportunity to present to the meeting her/his
12 position on all matters bearing upon the trial, verdict and judgment.

13 **Section 17.** In any case in which a member shall have been tried
14 upon charges alleging one or more of the following offenses:

15 (a) Illegally seeking or holding office or position in violation
16 of Section 9 of Article 10;

17 (b) Misappropriation or embezzlement of Union funds;

18 (c) Fraud in a Local Union election as defined in Article 49;

19 (d) Any other offense concerning which the International
20 Executive Board has the present authority to act under the
21 emergency provisions of Article 31, Section 20; an acquittal by
22 the Trial Committee or by the Local Union, if appealed, shall be
23 reviewed directly by the International Executive Board pursuant to
24 the procedures of Article 33, Section 3. Such appeal must be taken
25 within thirty (30) days by any member of the Local Union or the
26 Regional Director.

27 In case of a conviction, the penalty may be reviewed by the
28 International Executive Board upon an appeal taken within thirty
29 (30) days by any member of the Local Union or the Regional Director
30 on the ground that the penalty imposed is grossly disproportionate
31 to the gravity of the offense.

32 **Section 18.** Upon appeal from an acquittal, the International
33 Executive Board shall review the record of the trial and subsequent
34 proceedings in the Local Union and such other matters relevant to
35 the charges and the appeal as it feels necessary in order to assure
36 justice. The Board shall be empowered, if it finds that the verdict was

Art. 31

1 against the great weight of the evidence, to set it aside and to order a
2 new trial by an International Union Trial Committee in accordance
3 with Sections 22 and 23 of this Article.

4 Upon appeal from a penalty, the International Executive Board
5 may refer the penalty to an International Union Trial committee
6 selected in accordance with Sections 22 and 23 of this Article. The
7 International Union Trial Committee may in any such case prescribe
8 any penalty provided by this Constitution but without reviewing the
9 verdict of guilt.

10 Any decision by the International Executive Board pursuant
11 to this Section shall be appealable through the normal procedures
12 of Article 33, Section 3, but the action of any subsequent appellant
13 body regardless of any other provisions of this Constitution shall be
14 confined within the area of relief permitted by this Section.

15 **Section 19.** Any member expelled or suspended from
16 membership for more than two (2) years may be reinstated to
17 full membership or to membership without right to hold office or
18 appointive position at any time after two (2) years following the
19 final action which affected the member's expulsion or suspension.
20 Such reinstatement may be ordered only by a majority vote of
21 the body which initiated the action resulting in the member's
22 expulsion or suspension; provided that if that body is subordinate
23 to the International Executive Board, the reinstatement shall be
24 effective only if and when it is approved by a majority vote of the
25 International Executive Board. If the body initially passing on the
26 petition for reinstatement denies that petition in whole or in part, it
27 shall be subject to the normal appeal procedure provided in Article
28 33 of this Constitution; provided that if the initial expulsion or
29 suspension was approved by either a Convention of the International
30 Union or the Public Review Board, any appeal from the decision of
31 the International Executive Board in connection with the petition
32 for reinstatement may be appealed only to whichever of the two (2)
33 bodies (the Convention or the Public Review Board) passed on the
34 initial expulsion or suspension.

35 **Section 20.** In cases of extreme emergency and when it appears
36 to the International Executive Board that irreparable injury may
37 result to the International Union or to a subordinate body from
38 offenses punishable under this Constitution recently committed
39 or being committed by any member or members unless the Board
40 shall intervene; and, without regard to the existence of a present
41 emergency, in any case in which it shall appear to the Board that two

Art. 31

1 (2) or more members have engaged at any time since the original
2 adoption of this Section at the Twelfth Constitutional Convention in
3 a conspiracy to commit an offense against the Union; the Board may,
4 if two-thirds (2/3) of its members concur, prefer charges against
5 such member or members for the violation of this Constitution or
6 for conduct unbecoming a member of the Union, which charges
7 shall be specifically set forth in writing and signed by the Secretary-
8 Treasurer of the International Union. At the same session at which
9 any such charges are voted, the Board shall select one (1) of its
10 members who shall serve as the representative for the Board in the
11 trial of the charges.

12 **Section 21.** If it shall be charged by the International Executive
13 Board that two (2) or more members have participated in the
14 same act or acts charged as an offense or having acted jointly in
15 the commission of an offense, or have engaged in a conspiracy to
16 commit an offense punishable under this Constitution, any such
17 members may be jointly tried.

18 **Section 22.** Charges preferred against a member or members by
19 the International Executive Board shall be tried by an International
20 Union Trial Committee chosen in the manner provided for the
21 selection of such a committee in Article 30, Sections 5 through 12
22 inclusive, except that the accused and the representative for the
23 International Executive Board shall each be entitled to strike only five
24 (5) names from the panel. In cases where two (2) or more members
25 are charged jointly, the panel drawn by the Secretary-Treasurer shall
26 consist of a number of names equal of fifty (50), plus ten (10) times
27 the number by which the number of accused exceeds one (1); so
28 that if there are two (2) accused, sixty (60) names shall be drawn; if
29 three (3) are accused seventy (70) names shall be drawn, and so on.
30 Each of the accused shall be entitled to strike five (5) names and the
31 representative for the International Executive Board shall be entitled
32 to strike a number equal to five (5) times the number of accused.
33 The accused shall proceed in striking names from the panel in the
34 alphabetical order of their names and in the manner provided in
35 Article 30, Section 7.

36 **Section 23.** Upon completion of the trial, the International
37 Union Trial Committee shall go into closed session to determine
38 the verdict and penalty. A two-thirds (2/3) vote shall be required
39 to find the accused guilty. In the event the accused is found guilty,
40 the International Union Trial Committee may impose the penalties
41 provided by Section 10 of this Article. In the event the International
42 Union Trial Committee finds the accused guilty, the accused may

Art. 31-32

1 appeal the decision to the Convention Appeals Committee or the
2 Public Review Board in the same way as provided in Article 33 for
3 an appeal from a decision of the International Executive Board. In
4 the event the International Union Trial Committee finds the accused
5 not guilty the decision shall be final.

6 **Section 24.** Whenever it is charged that a member is affirmatively
7 engaged in the promotion, implementation, furtherance or support
8 of any other union or collective bargaining group with the purpose
9 or intent of supplanting the International Union, or any subordinate
10 body thereof, as the recognized collective bargaining agent, or
11 if the member is affirmatively engaged in efforts to decertify
12 the International Union or any subordinate body thereof as the
13 recognized collective bargaining agent, such charge will be filed with
14 the International Executive Board and a copy shall be sent to such
15 member. The member shall be subject to suspension or expulsion
16 by the International Executive Board after hearing on such charges,
17 with the Board designating a special committee to conduct a hearing
18 and make recommendations in a manner similar to that provided for
19 the operation of International Executive Board Appeals Committees
20 under Article 33 of this Constitution.

21 The special committee shall make recommendations to the
22 International Executive Board which recommendations shall be
23 processed by the International Executive Board in the same manner
24 that it processes recommendations of said Appeals Committees;
25 provided that if the special committee recommends that the charged
26 member be suspended or expelled, it shall have the authority to
27 temporarily suspend the charged member until the International
28 Executive Board has taken action on the recommendations. The
29 International Executive Board, if it finds the member guilty of the
30 offense charged by a two-thirds (2/3) vote, may suspend or expel
31 the member. Any member suspended or expelled under this Section
32 shall have the right to appeal such suspension or expulsion either to
33 the Public Review Board or the Convention Appeals Committee as
34 provided in Article 33 of this Constitution. The procedure provided
35 for in this Section shall be in addition to and exclusive of, any other
36 action which may be taken against such member.

ARTICLE 32
Public Review Board

39 **Section 1.** For the purpose of ensuring a continuation of high
40 moral and ethical standards in the administrative and operative

Art. 32

1 practices of the International Union and its subordinate bodies, and
2 to further strengthen the democratic processes and appeal procedures
3 within the Union as they affect the rights and privileges of individual
4 members or subordinate bodies, there shall be established a Public
5 Review Board consisting of impartial persons of good public repute
6 not working under the jurisdiction of the UAW or employed by the
7 International Union or any of its subordinate bodies.

8 **Section 2.** The Public Review Board shall consist of **four**
9 (4) members, including the Chairperson. In the event of death,
10 retirement or resignation of any of the **four (4)** members, the
11 International Executive Board shall have the authority to reduce the
12 number of members from **four (4)** to **three (3)**. Their terms shall
13 be for the period between International Constitutional Conventions.
14 At each regular International Constitutional Convention, the
15 International President shall, subject to the approval of the
16 International Executive Board, propose the names of the Chairperson
17 and members of the Public Review Board for ratification by said
18 International Constitutional Convention. Should any vacancy on the
19 Public Review Board occur between International Constitutional
20 Conventions, the vacancy shall be filled by appointment by the
21 International President, subject to the approval of the International
22 Executive Board, from a list of names submitted by the remaining
23 members of the Public Review Board.

24 **Section 3.** (a) The Public Review Board shall have the authority
25 and duty to make final and binding decisions on all cases appealed
26 to it in accordance with Article 33 of the International Constitution,
27 and to deal with matters related to alleged violation of any UAW
28 Ethical Practices Codes that may be adopted by the International
29 Union.

30 (b) The Public Review Board shall have the authority and
31 duty to make final and binding decisions on all cases appealed to
32 it in accordance with Article 16, Section 20 of the International
33 Constitution.

34 **Section 4.** Any complaint filed under Section 5(a) or (b) of this
35 Article alleging violation of any UAW Ethical Practices Codes that
36 may be adopted by the International Union, must be filed within
37 sixty (60) days of the time the charging member first becomes aware
38 or reasonably should have become aware of the alleged violation.

39 **Section 5.** To facilitate the orderly handling of complaints
40 related to alleged violations of any UAW Ethical Practices Codes, the
41 following procedures shall apply:

Art. 32

1 (a) If a complaint is against the operation of a subordinate
2 body or any officer or representative thereof, the complaint must
3 be initiated by a member of that subordinate body who shall be
4 obligated to first attempt to seek redress and correction of the matter
5 complained of through appeal to the membership of the Local
6 Union. Failing to get redress from the Local Union, the member
7 shall submit her/his complaint to the International Executive Board
8 through the International President who shall forward a copy of the
9 complaint directly to the Chairperson of the Public Review Board.
10 The International Executive Board shall have the initial responsibility
11 for investigating the complaint. The Chairperson of the Public
12 Review Board will be kept advised of the case by the International
13 Executive Board. Upon completion of the International Executive
14 Board's investigation and action, the Chairperson of the Public
15 Review Board and the complaining member will be informed as
16 to the disposition made of the case by the International Executive
17 Board. In the event the complaining member is dissatisfied with the
18 decision and action of the International Executive Board, s/he may,
19 within thirty (30) days, appeal such decision to the Public Review
20 Board.

21 In the absence of such an appeal, the Public Review Board may
22 act on the matter if it concludes that there is substance to the original
23 complaint and that the action of the International Executive Board
24 does not satisfactorily meet the problem.

25 (b) If a complaint is against the operation of the International
26 Union or any officer or representative thereof, the complaint must be
27 made by a member of a Local Union and approved by membership
28 action of that Local Union. The complaint and a certification of
29 the approval shall be submitted to the International President who
30 shall forward a copy of the complaint directly to the Chairperson of
31 the Public Review Board. The complaint shall be processed by the
32 International Executive Board and the Public Review Board in the
33 same manner as a complaint under (a) above.

34 (c) However, if any member files a complaint under either
35 subsection (a) or (b) above but does not seek approval, redress
36 or action from the member's Local Union, s/he shall set forth the
37 reasons for such failure to seek or obtain such approval, redress or
38 action from the Local Union at the time s/he files the complaint with
39 either the International Executive Board or the Public Review Board.
40 When, in the judgment of the International Executive Board and/or
41 the Public Review Board, there are valid and substantial reasons for
42 the request to bypass the Local step, the matter may be processed
43 without compliance with the Local step.

Art. 32

1 (d) Any matter within the coverage of this Section may be
2 submitted to the Public Review Board by majority action of the
3 International Executive Board. When a complaint is properly before
4 the Public Review Board, the Public Review Board shall assume
5 jurisdiction over the matter complained of and process the matter
6 in accordance with the provisions of subsequent Sections of this
7 Article.

8 **Section 6.** The Public Review Board shall formulate such rules of
9 procedure and establish such practices as are necessary to facilitate
10 its proper functioning. In order to minimize the time requirements
11 and to expedite the disposition of cases, the Chairperson shall be
12 authorized to create panels of not less than three (3) members of the
13 Public Review Board to act for and in behalf of the Public Review
14 Board. When, as a result of preliminary investigation, the Public
15 Review Board or the panel thereof, concludes that the complaint
16 fails to state allegations sufficiently serious and substantial to justify
17 a hearing, or when it appears that there is no reasonable possibility
18 that any substantial evidence in support of the allegations can be
19 produced, the Board or the panel in its discretion may dismiss such
20 matter without any hearing. The Public Review Board or the panel
21 thereof, shall advise the complaining member, the International
22 Union, and any subordinate body or bodies concerned of its decision
23 or findings.

24 **Section 7.** In case the Public Review Board or the panel thereof
25 finds that the accused is obviously innocent of any violation of the
26 Ethical Codes, the Board or the panel thereof, may make judgment
27 with respect to the lack of good faith of the accuser, and if the
28 facts indicate that the accuser acted in bad faith or with malicious
29 intent and in a willful effort to divide and disrupt the Union, the
30 Public Review Board may assess a non-monetary penalty against
31 the accuser; provided, however, that such penalty shall be limited
32 to suspension from membership for a period of not less than three
33 (3) months.

34 **Section 8.** The Public Review Board shall prepare and submit to
35 the membership an Annual Report of its activities, in which report it
36 shall draw the attention of the membership to any situation or action
37 which it has investigated upon complaint and found to be improper,
38 and shall comment upon the steps that have been taken by the Union
39 to correct such a situation. The Public Review Board shall further
40 include a summary of all appeals it has handled during the year.
41 Copies of the Public Review Board's Annual Report shall be mailed to
42 all Local Unions and notice of this fact shall be published in the next
43 edition of "Solidarity." Copies shall be available to members upon

Art. 32-33

1 request and during convention years copies shall be distributed to all
2 delegates. The Annual Report shall be made available to the public
3 press and all other media of public communication. The Public
4 Review Board may, in its discretion, submit an Interim Report. Such
5 an Interim Report shall also be made available to all members and
6 the public in the same manner as the Annual Report.

7 **Section 9.** The International Executive Board is instructed and
8 authorized to provide for an annual operating budget to ensure the
9 proper functioning of the Public Review Board. The International
10 Secretary-Treasurer is instructed and authorized to deposit
11 quarterly, in a depository designated by the Public Review Board,
12 to the account of the Public Review Board the necessary funds
13 required by the budget submitted by them. **The Public Review
14 Board shall submit its proposed budget to the International
15 Executive Board for review and approval at least three months
16 prior to the expiration of its fiscal year.** Such a budget shall cover
17 all necessary expenses, including office, staff, travel and operating
18 expenses, and shall provide for reasonable compensation to the
19 members of the Public Review Board. The Public Review Board shall
20 establish an office separate and apart from any Union building. The
21 staff and office personnel essential to the proper functioning of the
22 Public Review Board shall be selected by the members thereof and
23 shall be compensated out of its operating budget. The Chairperson
24 of the Public Review Board shall be required to have its books and
25 financial records audited annually; such audits and the summary
26 of the financial transactions shall be submitted to the International
27 Secretary-Treasurer, who in turn shall make such information
28 available to the delegates at each Constitutional Convention.

29 **ARTICLE 33**
30 **Appeals**

31 **Section 1. WHAT MAY BE APPEALED.** Any subordinate body
32 or member thereof shall have the right under this Article to appeal
33 any action, decision, or penalty by any of the following, unless
34 otherwise provided:

35 (a) The International Union, its International Executive
36 Board or any of its Officers, Regional Directors or International
37 Representatives;

38 (b) Any administrative arm of the International Union,
39 including its National Departments and Bargaining Councils;

Art. 33

1 (c) A Local Union, or any of its units, committees, officers,
2 committeepersons or stewards; or

3 (d) Any other subordinate body of the International Union.
4 A failure or refusal to act by any of the foregoing, where it allegedly
5 results in an injury, may also be appealed.

6 **Section 2. LEVELS OF APPEAL.** This Section specifies the
7 levels of appeal for various types of cases.

8 (a) The normal route of appeal is: FIRST, to the membership
9 or delegate body immediately responsible for the official, officer,
10 action or decision under challenge; SECOND, to the International
11 Executive Board, unless the appeal begins there; and THIRD, to
12 the Convention Appeals Committee or Public Review Board, as
13 may be appropriate. This normal route of appeal shall be followed
14 in all cases, except where this Constitution makes specific provision
15 for an alternate route of appeal. For purposes of illustration, in the
16 following common cases the normal route of appeal is as follows:

17 In any challenge to the handling or disposition of a grievance:
18 Where the challenge is against a Local Union committeeperson,
19 steward, Bargaining Committee, officer or other Local Union official
20 the levels of appeal are first to the unit of an Amalgamated Local
21 Union, then to the Union; then to the International Executive
22 Board and then to the Convention Appeals Committee, or where
23 appropriate the Public Review Board. Where the challenge is against
24 an International Representative, Regional Director, International
25 Officer or National Department the levels of appeal are first to the
26 International Executive Board, and then to the Convention Appeals
27 Committee, or where appropriate to the Public Review Board.

28 For any decision of a Local Union, or unit of an Amalgamated
29 Local Union, on a Trial Committee's recommendation the levels of
30 appeal are first to the International Executive Board and then to
31 the Convention Appeals Committee or the Public Review Board.
32 For disputes or questions in controversy, including all questions
33 involving interpretation of this Constitution by the International
34 President under Article 13, Section 8 the levels of appeal are to the
35 International Executive Board and then to the next Constitutional
36 Convention. For any decision of the International President under
37 Article 48, Section 5 the levels of appeal are to the International
38 Executive Board and then to the Convention Appeals Committee or
39 the Public Review Board.

Art. 33

1 (b) In the types of cases listed below, the appeal shall be limited
2 as specified:

3 For any action or decision by a national or corporate bargaining
4 council or sub-council, or by a national or regional wage-hour
5 council or sub-council, the route of appeal shall be directly to the
6 International Executive Board. There shall be no further appeal from
7 the decision of the International Executive Board. For any action
8 or decision pertaining to the following matters: sports and other
9 recreational activities; rulings of the Chair on procedural questions
10 arising during Local Union membership and other meetings; the
11 appointment and/or removal of appointed officials on Local Union
12 committees; and the sending of authorized members from a Local
13 Union to any convention, conference, or other meeting, whether
14 sponsored by the UAW or some other organization, except for the
15 UAW's Constitutional Convention; unless Article 46, Section 1, or
16 some other substantive provision of this Constitution is implicated,
17 the appeal shall be to the membership of the Local Union, or in the
18 case of an Amalgamated Local Union, first to the membership of
19 the appellant's unit, if necessary, and then to the delegate body or
20 general membership of the Amalgamated Local Union. There shall
21 be no further appeal from the decision of the membership of the
22 Local Union or Amalgamated Local Union.

23 For any action or decision pertaining to the seating of members
24 at any conference or other meeting sponsored by the UAW, if there is
25 a Credentials Committee for the conference or meeting, the appeal
26 shall be first to the Credentials Committee and then to the general
27 delegate body of the conference or meeting. If there is no Credentials
28 Committee for the conference or meeting, the route of appeal shall
29 be directly to the Director of the National Department or Region
30 responsible for the conference or meeting. There shall be no further
31 appeal from the decision of the general delegate body or the Director
32 of the National Department or Region, as the case may be. For
33 any action or decision pertaining to the appointment or removal
34 of special-purpose representatives, such as Benefit Representatives
35 or Health and Safety Committeepersons by a National Department
36 under the provisions of a collective bargaining agreement, the appeal
37 shall be directly to the International Executive Board. There shall be
38 no further appeal from the decision of the International Executive
39 Board.

40 For any appeal of a Local Union decision pertaining to Skilled
41 Trades Lines of Demarcation, the appeal shall be to the International
42 Executive Board and there shall be no further appeal from that
43 decision.

Art. 33

1 For an interpretation of a collective bargaining agreement by a
2 National Department or Regional Director, where the interpretation
3 is so obviously correct that no purpose will be served by an appeal,
4 and where it is consistent with other provisions of this Constitution
5 and International Union policy, the appeal shall be directly to the
6 International President. There shall be no further appeal from that
7 decision.

8 For any action or decision of the UAW National Skilled Trades
9 Department pertaining to a journey person card, the appeal shall be
10 to the International President and there shall be no further appeal
11 from that decision.

12 **Section 3. PROCEDURES AT EACH LEVEL OF APPEAL.** This
13 Section specifies the procedures at each level of appeal. In addition,
14 any appeal is subject to the general requirements of Section 4 of
15 this Article. Where this Constitution makes specific provision for
16 alternate procedures, those procedures shall control.

17 (a) *LOCAL UNION.* An appeal to the Local Union may be made
18 at a meeting of the membership body, or may be made in writing
19 addressed to the Recording Secretary. When no regularly scheduled
20 meeting of the membership body is held within forty-five (45)
21 days of receipt of the appeal, the Local Union Executive Board may
22 consider and rule on the appeal.

23 (b) *AMALGAMATED LOCAL UNION.* In an Amalgamated
24 Local Union an appeal must be made first at a meeting of the
25 membership body of the appellant's unit or in writing addressed
26 to the Recording Secretary or Chairperson of the appellant's unit.
27 When no regularly scheduled meeting of the membership body of
28 the unit is held within forty-five (45) days of the receipt of the appeal,
29 the unit Committee or unit Executive Board may consider and rule
30 on the appeal. An appeal from the unit is made to the Amalgamated
31 Local Union's delegate body, where such exists, or to the general
32 membership meeting when no delegate body exists. This appeal shall
33 be taken by submitting a written appeal to the Amalgamated Local
34 Union's Recording Secretary. When no membership or delegate
35 body meeting is held within forty-five (45) days of receipt of this
36 appeal, the Local Union Executive Board may consider and rule on
37 the appeal.

38 The Amalgamated Local Union shall review the appeal, with
39 the aid of an investigating committee or otherwise, and shall
40 determine the appeal; but if a unit Trial Committee is involved in

Art. 33

1 the proceedings, it shall not select its own Trial Committee to retry
2 the case.

3 (c) *OTHER SUBORDINATE BODIES.* An appeal to other
4 subordinate bodies, in matters within their areas of responsibility
5 under this Constitution, may be made at a meeting of the
6 membership or delegate body or may be made in writing to the
7 Recording Secretary. When no regularly scheduled meeting of the
8 membership or delegate body is held within forty-five (45) days of
9 receipt of the appeal, the Executive Board of the subordinate body
10 may consider and rule on the appeal.

11 (d) *INTERNATIONAL EXECUTIVE BOARD.* An appeal to the
12 International Executive Board shall be made in writing, signed by
13 the member(s) and addressed to the International Executive Board
14 in care of the International President. The appeal shall set forth the
15 action or decision being appealed, shall be as specific and detailed
16 as possible, and shall include all information available in support of
17 the appeal.

18 *Appellate Cases.* The International Executive Board has appellate
19 jurisdiction to consider and decide all appeals submitted to it from
20 any decision or action of a Local Union, Amalgamated Local Union
21 or other subordinate body; except in the relevant types of cases set
22 forth in Section 2(b) of this Article, the International Executive Board
23 shall entertain an appellate case only when it has been ruled upon by
24 the appropriate membership or delegate body. In this sort of appeal,
25 the appellant should also send a copy of her/his appeal to that body's
26 Recording Secretary. Upon receipt of an appeal, the International
27 President shall secure from the Local Union, Amalgamated Local
28 Union or other subordinate body, a complete statement of the
29 matters at issue, including copies of all charges and records, minutes,
30 transcripts of testimony and other material relating to the appeal.

31 *Original Matters.* The International Executive Board has original
32 jurisdiction to consider and decide all appeals submitted to it
33 from any decision or action of an International Officer, Regional
34 Director, International Representative or any administrative arm of
35 the National Department of the International Union, except in the
36 relevant types of cases set forth in Section 2(b) of this Article.

37 *Disposition By An Appeals Committee.* The International
38 Executive Board shall appoint a two (2) member Appeals
39 Committee to consider the appeal and make recommendations.
40 This Appeals Committee shall be composed of members of the

Art. 33

1 International Executive Board, but shall not include the Regional
2 Director of the region from which the appeal originates. The appeal
3 and any information secured by the International President shall be
4 forwarded to the Appeals Committee. After a review of the appeal
5 and record, the Appeals Committee may hold a hearing before either
6 the full Committee or in its discretion one of its members unless
7 the Appeals Committee concludes that no useful purpose would
8 be served by a hearing, in which event the Appeals Committee in
9 its discretion may make recommendations on the appeal without
10 a hearing. The Appeals Committee shall make a recommendation
11 which, together with the full record, shall be submitted to a Nine (9)
12 Member Committee of the International Executive Board, of which
13 five (5) members, or their designee(s), shall constitute a quorum.
14 The Nine (9) Member Committee shall consider the record, together
15 with the Appeals Committee's recommendations, and shall make a
16 decision on the appeal.

17 *Disposition By The International President.* The International
18 President may, in his discretion, decide an appeal rather than
19 submitting it to an Appeals Committee. In such a case, the
20 International President may designate a representative to conduct
21 any investigation or hearing deemed necessary, in accordance with
22 the procedures of this Subsection. The International President shall
23 base her/his decision on the files and records of the case, and such
24 briefs as may be submitted. In any appeal involving the handling or
25 disposition of a grievance against an employer, the decision of the
26 International President shall be submitted to the Nine (9) Member
27 Committee of the International Executive Board.

28 *Review By The Full International Executive Board.* Both where
29 the appeal has been decided by the Nine (9) Member Committee of
30 the International Executive Board and where it has been decided by
31 the International President, copies of the decision shall be sent to all
32 members of the International Executive Board. The decision shall
33 become the decision of the full International Executive Board unless,
34 within ten (10) days, one or more members of the International
35 Executive Board raises an objection to the decision, in which case the
36 appeal shall be referred for decision to the International Executive
37 Board at its next regular meeting. The International President
38 shall promptly notify all parties concerned of the decision of the
39 International Executive Board. The International Executive Board
40 shall use its best efforts to render its decision within sixty (60) days
41 of receipt of the appeal by the International President.

42 (e) *CONVENTION APPEALS COMMITTEE.* An appeal to the
43 Convention Appeals Committee shall be made in writing, signed by

Art. 33

1 the member(s) and addressed to the Convention Appeals Committee
2 in care of the International President.

3 *Jurisdiction And Procedure.* The Convention Appeals Committee
4 has jurisdiction to consider and decide all appeals submitted to it
5 from any decision or action of the International Executive Board
6 or an International Trial Committee, except in the types of cases
7 set forth in Section 2(b) of this Article. The Convention Appeals
8 Committee shall meet at least semi-annually, at the International
9 Union Headquarters, to act on all appeals that have been submitted
10 to it at least thirty (30) days prior to the date established for its
11 meeting. The administrative procedures for the Convention
12 Appeals Committee in handling appeals shall be established by
13 the International Executive Board, subject to review by subsequent
14 Constitutional Conventions. All decisions of the Convention
15 Appeals Committee shall be final and binding.

16 *Selection Of Convention Appeals Committee.* The Convention
17 Appeals Committee shall consist of a member and a first and second
18 alternate from each region to be selected by lot from the delegates
19 from each region, when they elect their Regional Director. To
20 provide continuity, members of the Convention Appeals Committee
21 shall be selected from one-half of the regions at each Convention.
22 Such members selected shall serve for two (2) Convention terms. In
23 the event a vacancy occurs on the Convention Appeals Committee,
24 it shall be filled by the ranking alternate from that region. All
25 remaining vacancies shall be filled by lot at the next regular
26 Constitutional Convention.

27 (f) *PUBLIC REVIEW BOARD.* An appeal to the Public Review
28 Board shall be made in writing, signed by the appellant, and
29 addressed to the Public Review Board in care of the International
30 President.

31 *Jurisdiction.* In addition to the jurisdiction conferred elsewhere
32 in this Constitution, the Public Review Board has jurisdiction to
33 consider and decide appeals from any decision or action of the
34 International Executive Board or an International Trial Committee:

35 Where the case arises under Article 10, Section 12; Article 12,
36 Sections 2 and 3; Article 16, Section 7; Article 30; Article 31; Article
37 36, Sections 9 and 10; Article 38, Sections 11 and 12; or Article 48
38 Sections 5 and 6;

Art. 33

1 Where the International Executive Board, pursuant to
2 Article 12, Section 17, has reviewed the action or decision of its
3 administrative arm, or where the International Executive Board
4 has decided an appeal which concerns action or inaction relative
5 to the processing of a grievance against an employer, subject
6 however, to the limitation of Section 4(i) of this Article; and

7 In any other case in which the International Executive Board
8 has passed upon an appeal from the action of a Local Union,
9 Amalgamated Local Union, or other subordinate body, except in the
10 relevant types of cases set forth in Section 2(a) and (b) of this Article.

11 *Determining Jurisdiction.* In cases that involve the processing
12 of grievances, the Public Review Board shall first determine
13 whether the specific allegation upon which appellant claims the
14 Public Review Board's jurisdiction to be based is or is not true. If
15 the jurisdictional allegation is found to be false, it shall dismiss the
16 appeal. If the appeal is thus dismissed, the appellant may, within
17 thirty (30) days of notification of the dismissal, appeal the case to the
18 Convention Appeals Committee, provided that in such an appeal,
19 the appellant may not again raise any issue which the Public Review
20 Board resolved in dismissing for lack of jurisdiction.

21 *Limitation.* In no event shall the Public Review Board, under
22 this or any other article, have jurisdiction to review in any way an
23 official collective bargaining policy of the International Union.

24 *Procedures.* If the appellant elects to appeal to the Public Review
25 Board, the appeal shall be considered by the full Board, or a panel
26 thereof. Where the Public Review Board has jurisdiction, the full
27 Board or panel shall decide and dispose of all matters raised by the
28 appeal. The Public Review Board, pursuant to Article 32, Section 6,
29 shall establish its own rules of procedure including those governing
30 the extent and scope of hearings. When notified that an appeal to
31 the Public Review Board has been filed, the International President
32 shall forward to the Chairperson of the Public Review Board all
33 documents and records in the case. After studying said documents
34 and records, the Public Review Board, or a panel thereof, shall hold
35 a hearing, unless it concludes that the appeal is unsubstantial or that
36 no useful purpose would be served by a hearing; in which event the
37 appeal may be decided or dismissed without a hearing.

38 The Public Review Board or panel thereof shall upon due
39 consideration issue its decision, which shall be final and binding on
40 all parties.

Art. 33

1 **Section 4. GENERAL REQUIREMENTS.** The following rules,
2 unless otherwise indicated, shall govern all levels of the foregoing
3 appeal procedure:

4 (a) **FORM AND CONTENTS OF APPEAL.** Any appeal should
5 set forth the action or decision being appealed, shall be made in
6 writing, except as otherwise provided for in this Constitution, and
7 should include all information available in support of the appeal. The
8 appeal should be as specific and detailed as possible and must include
9 an original physical signature, signed by the member(s). Electronic
10 submissions and electronic signatures shall not be permitted.

11 (b) **CALCULATION OF TIME.** The time limits of Section
12 4(c) of this Article begin to run from the time the appellant first
13 becomes aware, or reasonably should have become aware, of the
14 alleged action or decision appealed. In the case of an appeal from
15 a decision of the International Executive Board, the time limit shall
16 begin to run when the appellant first receives notice of the decision.
17 For purposes of this Article, "day" means a calendar day. If mailed,
18 an appeal will be considered filed on the date it is postmarked.

19 (c) **TIME LIMITS FOR APPEAL.** To be considered, an
20 appeal must comply with these time limits, if no other time limit
21 is specifically set forth in this Constitution: Appeal to Local Union
22 sixty (60) days; Amalgamated Local Union Appeal to unit, sixty (60)
23 days, appeal from unit to Amalgamated Local Union itself, thirty
24 (30) days; appeal to other subordinate body sixty (60) days; appeal to
25 International Executive Board appellate or original cases, thirty (30)
26 days; appeal to Convention Appeals Committee thirty (30) days;
27 appeal to Public Review Board thirty (30) days.

28 (d) **EXTENSIONS OF TIME.** In the case of an appeal to a
29 Local Union, Amalgamated Local Union, or other subordinate body,
30 or in the case of an appeal to the International Executive Board or
31 Convention Appeals Committee, the International
32 President may waive the time for filing the appeal if warranted
33 by the circumstances.

34 (e) **COMPLIANCE PENDING APPEAL.** The decision of the
35 lower tribunal, in all cases, must be complied with before an appeal
36 can be accepted by the next tribunal in authority and shall remain
37 in effect until reversed or modified. The International President
38 may, upon written application of an appellant, waive in whole or in
39 part requirements of such compliance where unusual circumstances
40 warrant it.

Art. 33

1 (f) *COUNSEL.* Any party to an appeal before the
2 International Executive Board, Convention Appeals Committee or
3 Public Review Board, shall be permitted representation by counsel
4 or other representative of her/his choice. Unless otherwise specified
5 in this Constitution, counsel are not permitted before a Local Union,
6 Amalgamated Local Union, or other subordinate body, except as
7 provided in Article 31, Section 5. The party retaining counsel, or
8 other representative, shall bear any cost of such representation.

9 (g) *BRIEFS.* Any party to an appeal may submit a brief or
10 other written statement of position.

11 (h) *HEARINGS.* Hearings, when held, shall be such as, in the

19 INTERNATIONAL EXECUTIVE BOARD

20
21
22 International President
23
24
25 International Secretary-Treasurer.

26 **Section 7.** No Local Union, Family Auxiliary or subordinate
27 body shall disband as long as fifteen (15) members or two (2) Local
28 Unions desire to retain the Charter, and then only upon the approval
29 of the International Executive Board. In localities where there are
30 two (2) or more Local Unions and where the membership of any
31 Local Union drops below fifteen (15) members in good standing,
32 such Local Union may be merged with another Local Union in that
33 locality, at the discretion of the International Executive Board.

34 **Section 8.** The above Section shall not apply to the issuance
35 of charters covering plants under the jurisdiction of a previously
36 chartered Amalgamated Local Union.

37 **Section 9.** If a Local Union disbands or if a Local Union goes out
38 of existence by reason of cessation of production at the workplace
39 over which it has jurisdiction, all of the funds, property and assets of

Art. 36

1 the Local Union shall forthwith revert to and become the property
2 and assets of the International Union. If within one (1) year thereafter
3 a new charter is issued to a Local Union with the same or similar
4 jurisdiction, the International Executive Board shall, in order to
5 aid such newly chartered Local Union in the commencement of its
6 operations, make an appropriation to it in an amount not to exceed
7 the value of such funds, property and assets.

8 **Section 10.** If as the result of a drastic reduction in the
9 membership of a Local Union because of layoffs or other reasons,
10 the funds, property and assets of such Local Union become grossly
11 disproportionate to the number of members remaining, the
12 International Executive Board may, by seven-eighths (7/8) vote, after
13 a hearing, and for such period of time as it may deem necessary,
14 take possession of and assume control over the expenditure and use
15 of such funds, property and assets for the purpose of insuring their
16 application in furtherance of the objectives of the Local Union and
17 the International Union, and their conservation in the interest of the
18 membership of the Local Union as then existing and as subsequently
19 augmented.

20 **Section 11.** In case the membership of a unit covered by the
21 jurisdiction of an Amalgamated Local Union feels that there is just
22 cause for withdrawal from the Local Union, the question may be
23 raised in any regularly called meeting. If approved by a majority vote
24 of such meeting, a date shall be set for a special meeting to discuss
25 and decide whether or not to petition the International Executive
26 Board for withdrawal from the Local Union. The membership of
27 such unit shall be given at least seven (7) days' notice of the time,
28 place and purpose of such special meeting. If at this meeting, in a
29 vote by secret ballot, a two-thirds (2/3) majority of the members
30 present vote to petition the International Executive Board, such a
31 petition, containing a detailed statement setting forth the reasons
32 for withdrawal from the Local Union shall be forwarded to the
33 International Executive Board. The International Executive Board
34 upon receipt of such petition shall investigate the circumstances
35 and determine if just cause for withdrawal exists and the effect such
36 withdrawal would have upon the Local Union and the petitioning
37 unit. If, following its investigation, the International Executive Board
38 is satisfied that the petitioning unit has just cause for withdrawal and
39 that such withdrawal will not adversely affect the Local Union or the
40 unit, the International Executive Board will direct a referendum vote
41 of the unit membership.

Art. 36

1 The membership of such unit shall be given at least seven (7)
2 days' notice of the time, place, and purpose of such referendum
3 vote. Voting in such election shall be by secret ballot in booths
4 conveniently located to allow all members an opportunity to vote.
5 All ballots shall have printed thereon the following words: "Are you
6 in favor of withdrawal from Local? Yes No .

7 In the event that the members present at the special meeting
8 provided for in this Section decide against petitioning the
9 International Executive Board for withdrawal, or if a petition is
10 submitted but the International Executive Board denies it, or in the
11 event the referendum vote fails to obtain the required two-thirds
12 (2/3) majority, the question shall not be acted or voted on again for a
13 period of two (2) years. In case a two-thirds (2/3) majority of the unit
14 membership voting in such referendum vote in favor of withdrawal,
15 the International Executive Board shall issue a separate charter.

16 **Section 12.** In the event an Amalgamated Local Union desires
17 to discontinue the affiliation of a unit of the Local Union, such
18 desire may be raised in any regularly called meeting of the Local
19 Union membership or the Joint Council where such body exists. If
20 approved by a majority vote of such meeting, a date shall be set for a
21 special meeting to discuss and decide whether a vote shall be taken
22 on the proposed discontinuation of affiliation. The membership,
23 or Joint Council delegates where such body exists, shall be given at
24 least seven (7) days' notice of the time, place and purpose of such
25 special meeting. If at this meeting a two-thirds (2/3) majority of the
26 members (or Joint Council delegates) present vote in favor of holding
27 an election to decide the issue, the Local Union membership shall be
28 given at least seven (7) days' notice of the time, place and purpose
29 of such election. Voting in such election shall be by secret ballot in
30 booths conveniently located to allow all members an opportunity
31 to vote.

32 All ballots shall have printed thereon the following words only:
33 "Are you in favor of discontinuing the affiliation of the Unit of Local
34 _____? Yes No .

35 In the event that the members (or Joint Council delegates, where
36 such body exists) present at the special meeting provided for in this
37 Section decide against holding an election or in the event that the
38 vote of the Local Union membership voting in such election does
39 not obtain the required majority, the question shall not be acted or
40 voted on again for a period of two (2) years.

Art. 36-37

1 **Section 13.** In case a two-thirds (2/3) majority of an
2 Amalgamated Local Union membership voting vote in favor of
3 discontinuing the affiliation of a unit as provided in Section 12, the
4 International Executive Board may issue a separate charter.

5 **Section 14.** All funds and other assets of an Amalgamated Local
6 Union shall be and remain the property of the membership of that
7 Local Union, and any unit withdrawing from an Amalgamated Local
8 Union and obtaining a separate charter shall only be entitled to the
9 balance of such funds or property as may have been allocated to it by
10 the Local Union up to the time of separation where such unit funds
11 are established.

12 **Section 15.** Local Unions, District Councils organized pursuant
13 to Article 34, Family Auxiliaries and Community Action Program
14 (CAP) Councils shall be the only chartered subordinate bodies
15 of this International Union. All other subordinate bodies of the

26 International Union.

27 **Section 2.** It shall be mandatory for all Local Unions to affiliate
28 with UAW city, county or area Community Action Program (CAP)
29 bodies and Councils of the Canadian Labour Congress (CLC)
30 wherever such bodies are established, unless this requirement is
31 otherwise waived by the Executive Board of the International Union.

32 **Section 3.** It shall be mandatory for all Local Unions to establish
33 bylaws and submit them to the International Executive Board for
34 ratification. By-laws, although enacted by a subordinate body, are
35 not effective until submitted to the International Executive Board
36 except for those enacted pursuant to Section 5 of this Article.
37 Bylaws, once submitted remain effective unless repealed by the
38 International Executive Board, pursuant to Article 12, Section 5 of
39 this Constitution.

Art. 37

2 Local Union, and each unit of an Amalgamated Local Union, shall
3 hold a regular general membership meeting at least once a month
4 unless the Local Union or unit of an Amalgamated Local Union

17 consisting of all elected officers of the Local Union with additional
18 elected, proportional representation, which shall serve as the
19 membership body within the Local Union. Such Council shall
20 meet once each month, and a general membership meeting shall be
21 held at least once each year. The procedures and representation for
22 such Council must receive the prior approval of the International
23 Executive Board and must be set forth in the bylaws of the Local
24 Union.

25 (b) An Amalgamated Local Union that has a Joint Council
26 established in accordance with Article 35, Section 2, shall have
27 meetings of such Joint Council at least once a month and shall hold
28 a general membership meeting at least once a year. Amalgamated
29 Local Unions without a Joint Council shall hold a regular general
30 membership meeting at least once every three (3) months.

31 (c) A Local Union or unit may by appropriate action postpone
32 meetings during the summer months.

33 **Section 5.** All Local Unions shall include in their bylaws
34 reasonable provisions for rules governing the attendance at meetings
35 by members holding any Local Union elective position. The Local
36 Union shall establish non-monetary penalties that may include
37 automatic removal from such office or position upon their failure
38 to attend a stipulated number of meetings as required by their
39 bylaws. Local Union bylaws on this subject must be submitted to
40 and approved by the International Executive Board before becoming
41 effective.

30 the pertinent membership meeting, to the International President.
31 Any member of the Local Union shall have the right to submit a
32 written statement to the International President. The International
33 President, acting as expeditiously as possible, may either make her/
34 his order upon the information available to her/him or, if s/he feels
35 the facts sufficiently contradictory to warrant the step, submit the
36 matter to an Appeals Committee constituted pursuant to Article
37 33, Section 3 of this Constitution for investigation. In that event the
38 International President shall make her/his order pursuant to the
39 recommendations of said Appeals Committee. During this interim
40 period, the Local Union offices shall be temporarily occupied by
41 those candidates who would have been elected if the election had not

Art. 38

1 action ordering a new election, the election shall be held as soon as

3 office during the pendency of any higher appeal and until otherwise
4 directed by a superior appellate body.

5 Any appeal from the International President's order shall be
6 taken in the usual way pursuant to Article 33 of this Constitution
7 provided, however, that if the President's order is based upon an
8 Appeals Committee recommendation, the appeal shall omit the
9 step provided for in Article 33, Section 3(d), and the appeal shall
10 commence with review of and action on the Appeals Committee
11 recommendations pursuant to Section 3(d) of Article 33.

12 Any appeal from a decision of the membership refusing to order
13 a new election shall be taken in the usual manner pursuant to Article
14 33, and the members elected as the result of the election being
15 appealed from shall hold office during the pendency of the appeal
16 and until otherwise directed by a superior appellate body.

17 All ballots and other pertinent records in any election shall be
18 preserved for a period of one (1) year and may then be destroyed
19 by the Local Union unless an appeal is pending, in which event
20 they must be preserved until the appeal has been decided and the
21 decision is final.

22 **Section 13.** If upon investigation by the International Union,
23 it should appear by convincing evidence that any member has
24 misrepresented returns, altered, mutilated or destroyed deposited
25 ballots, or engaged in any other fraudulent acts in connection with
26 the conduct of a Local Union election, the International Executive
27 Board may remove such member from any office or appointive
28 position s/he may hold pending a hearing. The Board shall designate
29 a special committee to conduct a hearing, after due notice in writing
30 of the charges against the member, and make recommendations
31 in a manner similar to that provided for under Article 33 of this
32 Constitution. The special committee shall make recommendations to
33 the International Executive Board, which recommendations shall be
34 processed by the International Executive Board in the same manner
35 that it processes recommendations of said Appeals Committees. The
36 International Executive Board, if it finds the member guilty of the
37 offense charged by a two-thirds (2/3) vote, may remove the member
38 from any office or appointive position s/he may hold and/or suspend
39 the member's right to seek any office or hold any appointive position
40 in the International Union for a period not to exceed five (5) years,
41 or suspend or expel her/him from membership. Any member so

Art. 38-39

1 disciplined shall be notified in writing and shall have the right to
2 appeal pursuant to Article 33, Section 3. The procedure provided
3 for in this Section shall be in addition to and exclusive of any other
4 action which may be taken against such member.

5 **Section 14.** All vacancies in Local Union offices, except the
6 office of President, shall be promptly filled by election, provided that
7 the Local Union may provide other means for filling such vacancies
8 for the temporary period pending the holding of the election. In case
9 of a vacancy in the office of President, the Vice President shall fill the
10 vacancy for the unexpired term, provided that where there are two
11 (2) or more Vice Presidents, the Local Union shall establish fair and
12 reasonable procedure for determining which of the Vice Presidents
13 shall fill the vacancy.

14 **Section 15.** A Local Union may employ service and
15 organizational staff; if such employment is authorized by the Local
16 Union's bylaws; and provided that any such staff member who serves
17 the membership of the Local Union and represents the membership
18 in collective bargaining with employers, must have been a member
19 of the International Union in continuous good standing for a period
20 of one (1) year.

21 **Section 16.** If a member holding Executive Office, the term of
22 which is not expiring, desires to become a candidate for another
23 Executive Office, such member is obligated to notify the Local Union
24 of her/his resignation from the member's present office sufficiently
25 in advance of the nominating meeting to permit the nomination and
26 election of candidates for both offices during the same election. Such
27 resignation would become effective at the time of installation.

28 **Section 17.** Whenever there are unopposed candidates for Local
29 Union Executive Office, such candidates shall be considered elected
30 without the necessity of an election. Where run-off elections are
31 necessary because a candidate for Local Union Executive Office fails
32 to receive a majority vote, the run-off shall be confined to the two
33 (2) candidates receiving the highest number of votes for the office
34 involved.

27 reimbursement and, in her/his discretion, may summarily suspend
28 the member from any office s/he may hold or the right to seek any

30 (d) Within thirty (30) days of such notification, the member
31 may appeal the President’s decision or action, in which case her/

38 commences her/his appeal. If the suspended member fails to appeal
39 from the suspension within the thirty (30) days allowed, or if the
40 International Executive Board upholds the suspension by a two-

24 notified in writing and given thirty (30) days to pay the money owed.
25 If the member fails to meet an obligation to pay the amount owed

6 Strikes

7 **Section 1.** (a) When a dispute exists between an employer and
8 a Local Union concerning the negotiation of a collective bargaining
9 agreement or any other strikeable issue the Local Union or the
10 International Executive Board may issue a call for a strike vote.
11 All members must be given due notice of the vote to be taken and
12 it shall require a two-thirds (2/3) majority vote by secret ballot of
13 those voting to request strike authorization from the International
14 Executive Board. Only members in good standing shall be entitled
15 to vote.

16 (b) Where a different ratification procedure for a Local Union or
17 an Intra-Corporation Council has been properly applied for under
18 terms of Article 19, Section 3, and after the International Executive
19 Board has approved such ratification procedure, the method for
20 accepting or rejecting contract changes and the taking of strike
21 votes shall be governed by the terms of the procedure approved by
22 the International Executive Board for that Local Union or Intra-
23 Corporation Council.

24 **Section 2.** If the Local Union involved is unable to reach an
25 agreement with the employer without strike action, the Recording
26 Secretary of the Local Union shall prepare a full statement of the
27 matters in controversy and forward the same to the Regional
28 Director and International President. The Regional Director or her/
29 his assigned representative in conjunction with the Local Union
30 committee shall attempt to effect a settlement. Upon failure to
31 effect a settlement s/he shall send the International President her/
32 his recommendation of approval or disapproval of a strike. Upon
33 receipt of the statement of matters in controversy from the Regional
34 Director, the International President shall prepare and forward a
35 copy thereof to each member of the International Executive Board
36 together with a request for their vote upon the question of approving
37 a strike of those involved to enforce their decision in relation
38 thereto. Upon receipt of the vote of the members of the International
39 Executive Board, the International President shall forthwith notify
40 in writing the Regional Director and the Local Union of the decision
41 of the International Executive Board.

Art. 50

1 **Section 3.** In case of an emergency where delay would seriously
2 jeopardize the welfare of those involved, the International President,
3 after consultation with the other International Officers, may approve
4 a strike pending the submission to and securing the approval of the
5 International Executive Board, providing such authorization shall be
6 in writing.

7 **Section 4.** Neither the International Union nor any Local Union,
8 nor any subordinate body of the International Union, nor any officer,
9 member, representative or agent of the International Union, Local
10 Union or subordinate body shall have the power or authority to
11 instigate, call, lead or engage in any strike or work stoppage, or
12 to induce or encourage employees of any employer to engage in a
13 strike or concerted refusal in the course of their employment to use,
14 manufacture, process, transport or otherwise handle or work on
15 any goods, articles, materials, or commodities, or to perform any
16 services, except as authorized by the International Executive Board
17 or the International President in conformity with the provisions of
18 this Constitution. Such power and authority resides exclusively in
19 the International Executive Board and the International President,
20 and may be exercised only by collective action of the International
21 Executive Board as provided in Section 2 of this Article or by
22 emergency action of the International President as provided in
23 Section 3 of this Article.

24 **Section 5.** Before a strike shall be called off, a special meeting of
25 the Local Union shall be called for that purpose, and it shall require
26 a majority vote by secret ballot of all members present to decide the
27 question either way. Wherever the International Executive Board
28 decides that it is unwise to no longer continue an existing strike, it
29 will order all members of Local Unions who have ceased work in
30 connection therewith to resume work and thereupon and thereafter
31 all assistance from the International Union shall cease.

32 **Section 6.** Any Local Union engaging in a strike which is called
33 in violation of this Constitution and without authorization of the
34 International President and/or the International Executive Board,
35 shall have no claim for financial or organizational assistance from
36 the International Union or any affiliated Local Union.

37 **Section 7.** The International President, with the approval of the
38 International Executive Board, shall be empowered to revoke the
39 Charter of any Local Union engaging in such unauthorized strike
40 action, thereby annulling all privileges, powers and rights of such
41 Local Union under this Constitution.

Art. 50-51

Section 8. In cases of great emergency, when the existence of the International Union is involved, together with the economic and social standing of our membership, the International President and the International Executive Board shall have authority to declare a general strike within the industry by a two-thirds (2/3) vote of the International Executive Board, whenever in their good judgment it shall be deemed proper for the purpose of preserving and perpetuating the rights and living standards of the general membership of our International Union, provided, under no circumstances shall it call such a strike until approved by a referendum vote of the membership.

UAW ETHICAL PRACTICES CODES

Constitutional Convention
June 2014*

UAW ETHICAL PRACTICES CODES Democratic Practices

The UAW is proud of its democratic heritage. Its Constitution is carefully designed to insure each member her/his full democratic right, both as an individual and through her/his elected representatives, to express her/himself freely and to participate at all levels in the decisions governing the Union. Moreover, individual rights as a UAW member are protected against infringement or abuse, for a member may appeal complaints concerning the administration of the Union, to the Local Union, the International Executive Board and the Constitutional Convention; and has the right to submit her/his appeal to the UAW Public Review Board, comprised of citizens with national reputations outside the labor movement, whose decisions are final and binding.

The democratic principles which have always governed the International Union, UAW, and its Local Unions are:

1. Each member shall be entitled to a full share in Union self-government. Each member shall have full freedom of speech and the right to participate in the democratic decisions of the Union. Subject to reasonable rules and regulations, each member shall have the right to run for office, to nominate and to vote in free, fair and honest elections. In a democratic union, as in a democratic society, every member has certain rights but s/he also must accept certain corresponding obligations. Each member shall have the right freely to criticize the policies and personalities of Union officials; however, this does not include the right to undermine the Union as an institution; to vilify other members of the Union and its elected officials or to carry on activities with complete disregard of the rights of other members and the interests of the Union; to subvert the Union in collective bargaining or to advocate or engage in dual unionism.

2. Membership meetings shall be held regularly, with proper notice of time and place and shall be conducted in an atmosphere of fairness.

3. All Union rules and laws must be fairly and uniformly applied and disciplinary procedures, including adequate notice, full rights of the accused and the right to appeal, shall be fair and afford full due process to each member.

4. Each Local Union shall maintain adequate safeguards so that all of its operations shall be conducted in a democratic and fair manner. No corruption, discrimination or anti-democratic procedure shall ever be permitted under any circumstances.

Financial Practices

Union funds are held in sacred trust for the benefit of the membership. The membership is entitled to assurance that Union funds are not dissipated and are spent for proper purposes. The membership is also entitled to be reasonably informed as to how Union funds are invested or used.

1. The International Union and its Local Unions shall conduct their proprietary functions, including all contracts for purchase or sale or for rendering housekeeping services in accordance with the practice of well-run institutions, including the securing of competitive bids for major contracts.

2. The International Union and its Local Unions shall not permit any of their funds to be invested in a manner which results in the personal profit or advantage of any officer or representative of the Union.

3. There shall be no contracts of purchase or sale or for rendering services which will result in the personal profit or advantage of any officer or representative of the Union. Nor shall any officer, representative or employee of the International Union or any Local Union accept personal profit or special advantage from a business with which the Union bargains collectively.

4. Neither the International Union nor any of its Local Unions shall make loans to its officers, representatives, employees or members, or members of their families, for the purpose of financing the private business of such persons.

Health, Welfare and Retirement Funds

1. No official, representative or employee of the International Union or a Local Union shall receive fees or salaries of any kind from a fund established for the provision of health, welfare or retirement benefits, except for reasonable reimbursement provided for in a collective bargaining agreement and expressly approved by the International Executive Board.

2. No official, employee or other person acting as agent or representative of the International Union or a Local Union, who exercises responsibilities or influence in the administration of health, welfare and retirement programs or the placement of insurance contracts, shall have any compromising personal ties,

direct or indirect, with outside agencies such as insurance carriers, brokers, or consultants doing business with the health, welfare and retirement plans.

3. Complete records of the financial operations of all UAW health, welfare and retirement funds and programs shall be maintained in accordance with the best accounting practice. Each such fund shall be audited regularly.

4. All such audit reports shall be available to the members of the Union covered by the fund.

5. The trustees or administrators of such funds shall make a full disclosure and report to the members covered by the fund at least once each year.

Business and Financial Activities of Union Officials

Any person who represents the UAW and its members, whether elected or appointed, has a sacred trust to serve the best interests of the members and their families. Therefore, every officer and representative must avoid any outside transaction which even gives the appearance of a conflict of interest. The special fiduciary nature of Union office requires the highest loyalty to the duties of the office.

1. The mailing lists of the Union are valuable assets. In order to protect the interests of our entire membership, Union officers and representatives shall not, under any circumstances, turn over a Union mailing list to an outsider for use in the promotion or sale of any goods or services that benefit an individual or a private concern. Mailing lists are to be used only to promote the necessary legitimate functions of the Local Union and for no other purpose. It is improper for any official or representative of either the International Union or Local Union to permit the use of any mailing list by any third party to promote the sale of furniture, appliances, automobiles, insurance, eyeglasses or any other item, or to enable professionals to solicit the membership.

2. No officer or representative shall have a personal financial interest which conflicts with her/his Union duties.

3. No officer or representative shall have any substantial financial interest (even in the publicly-traded, widely-held stock of a corporation except for stock- purchase plans, profit sharing

or nominal amounts of such stock), in any business with which the UAW bargains. An officer or representative shall not have any substantial interest in a business with which the UAW bargains collectively.

4. No officer or representative shall accept “kickbacks,” under-the-table payments, valuable gifts, lavish entertainment or any personal payment of any kind, other than regular pay and benefits for work performed as an employee from an employer with which the Union bargains or from a business or professional enterprise with which the Union does business.

5. The principles of this Code, of course, apply to investments and activities of third parties, where they amount to a subterfuge to conceal the financial interests of such officials or representatives.

SPECIAL NOTE

**ARTICLE 6
SECTION 17**

On March 10, 1989, the United States Court of Appeals for the Sixth Circuit ordered that certain provisions of Article 6, Section 17 of the Constitution of the International Union, UAW be expunged from the Constitution. Prior to compliance with this order, the Union appealed to the U.S. Supreme Court; however, that body denied the Union's appeal on October 2, 1989. Due to the action of the U.S. Supreme Court in refusing to overturn the order of the Court of Appeals, compliance with that order was required, thereby rendering the issue closed and leaving only the provisions of Article 6, Section 17 set forth herein in effect.

**ARTICLE 33
APPEALS**

This will serve as a reminder that in accordance with a Constitutional amendment which was adopted in 1970 by the delegates to the 22nd Constitutional Convention, all matters appealed to the Convention Appeals Committee will be considered to have been decided by the Convention and are final and binding upon any case coming before them.

How to Find the Proper Interpretation

This revised issue of the Constitution with Interpretations contains all of the additional basic constitutional interpretations adopted by the International Executive Board since the publication of the previous edition of the Constitution with Interpretations; and the interpretations that became obsolete due to amendments adopted by the Thirtieth (30th) Constitutional Convention have been deleted.

Any new problems that arise which necessitate a constitutional interpretation will be acted upon in the usual manner.

You will notice that there is no separate index to the interpretations, as such. Instead, an Article and Section notation appears at the upper outside corner of each page of the interpretations to facilitate references.

In using this edition of the Constitution with Interpretations, the following procedure would be the most helpful:

1. Find the subject of your question by consulting the appropriate heading or headings in the index to the Constitution. This will give you the Article(s) or Section(s) which may contain the answer to your question. It will also give you the page of the Constitution where that Article or Section appears. It may be that your question is expressly covered by the language of the Constitution and you need look no further.

2. In virtually every instance, the language of the Article or Section will at least touch upon the answer you seek, but it may not be the specific answer to your problem. In that case, you turn to the interpretations listed under those Articles and Sections and read there the interpretations of the International Executive Board as they relate to your question. Where appropriate, cross-references to other Articles, Sections and interpretations are given at the end of the particular interpretation.

Art. 6, Secs. 2,3

INTERPRETATIONS of the CONSTITUTION of the INTERNATIONAL UNION

**United Automobile,
Aerospace and
Agricultural Implement Workers
of America, UAW**

ARTICLE 6 Membership

SECTION 2

(1) Honorary Membership

The Constitution makes no provision for honorary membership. However, Local Unions can vote such memberships to persons who have rendered exceptional service either to the trade union movement generally or to that particular Local Union, provided that the persons granted such honorary memberships are not already members of the UAW by holding membership in some other UAW Local Union.

Any cards or letters which are issued to commemorate the issuance of the honorary membership card shall be for a stated term and that term shall not exceed two years and such honorary membership can then be renewed by specific action; otherwise it expires.

Before such honorary membership becomes effective and it is presented to the individual so honored, it must be approved by the Local Union membership and the International Executive Board. (3/9/54, Page 14.)

SECTION 3

(1) Refund of Checked-Off Initiation Fee and Dues

An employee who has joined a Local Union by having paid or having had deducted her/his initiation fee and dues within thirty (30) days of her/his employment and is subsequently terminated,

Art. 6, Secs. 3, 10, 19

laid off or quits within that period, would be entitled upon request made within sixty (60) days to a refund of all monies paid for initiation fee and dues following termination of such employment. Where such member does not request a refund of her/his dues and initiation fee, s/he may upon proper request be issued an honorable withdrawal card. (Detroit, 1/15/73.)

SECTION 10

(1) Membership in more than one Local Union.

When considering permission, the International Executive Board may take into account the fact that members in certain industries may be employed on a part-time basis by multiple UAW-represented employers in the same industry. (Detroit, 6/2/14.)

SECTION 19

(1) Voting Rights of Retired Members in Local Unions

A retired member has a constitutional right to participate in any and all elections conducted on a local-wide basis except elections of the type specifically exempted under this Section. Under this Section a retired member would not, however, be eligible to vote for a Steward or Committeeperson even though that Steward or Committeeperson might, by virtue of her/his election, also hold office as a member of a Local Union policy making group such as the Executive Board. (Detroit, 1/21/60, Page 172.)

(2) Voting Rights of Retired Members in Units of Amalgamated Local Unions

Retired members are eligible to vote for officers of units as such. If a unit has a substantial complement of officers set up by its bylaws, and these officers generally correspond to the Executive Officers of a Local Union as set forth in Article 38, Section 1, the retired member would be eligible to vote for such officers even though these officers also constitute the Local Union Bargaining/Negotiating Committee. In units where the bylaws do not provide for a substantial complement of officers, the retired member would not be entitled to vote for such unit Chair and Secretary since the primary function of these individuals is to serve as officials of the Bargaining/Negotiating Committee and they are only incidentally charged with the responsibilities of unit officers.

(3) Eligibility of Retired Members to Run for Local Union Offices

Art. 6, Secs. 19, 20; Art. 7, Sec. 1(b); Art. 8, Sec. 5

Retired members are ineligible to run for any local union position which carries responsibility for grievances or bargaining required by the Collective Bargaining Agreement(s) and/or local union bylaws. (Las Vegas, 6/1/02.)

SECTION 20

(1) Material Benefits to which Non-Members are Entitled under Agency Shop Provisions

The “material benefits” of non-members under an agency shop agreement are such benefits as being eligible to receive Solidarity, strike assistance, and any other such direct service benefits received by members of the Union.

Such non-members shall not be allowed attendance at Union meetings, the right to hold or run for any Union office (elected or appointed), or any voting rights within the Union unless and until they have become members of the Union in accordance with the provisions of this Constitution. (Detroit, 6/18/62, Pages 48-49.)

ARTICLE 7

Powers of Administration

SECTION 1(b)

The International Executive Board members may participate in regular and special meetings through the use of conference telephone, electronic video screen communication, or other electronic transmission. Participation by International Executive Board members in such meetings in such manner shall satisfy any quorum requirements set forth in Article 12. (Detroit, 6/2/14.)

ARTICLE 8

Conventions

SECTION 5

(1) Delegates to Conventions Other Than UAW

Delegates to other conventions and similar bodies with which UAW Locals are affiliated may be elected or appointed in any manner provided by the bylaws of the Local Union, provided they have been approved by the International Executive Board, or standing

Art. 8, Secs. 5, 8, 11

resolutions of the Local Union to the extent any such method is consistent with the Constitution or the official call of the delegate body to which the delegates are being sent. (Detroit, 1/21/60.) (Amended 9/12/68, Pages 155-158.)

(2) When Amalgamated is Not Compelled to Pay for Unit Delegates

Where an Amalgamated Local Union has voted not to send any delegates to the Convention and a unit of the Amalgamated makes a decision to send a delegate or delegates from that unit, the Local Union would not be compelled to pay the expenses of such delegates attending the Convention. (Detroit, 6/10/49, Pages 711-712.)

(3) Procedure in Amalgamated Local Union When Electing Delegates on Local-Wide Basis

In the event the Local Union membership or Joint Council of an Amalgamated Local Union desires to elect its Convention delegates on a local-wide basis, it may do so; provided however, that any unit of such an Amalgamated Local Union entitled to one or more delegates, by official action of their unit membership, can object to such a procedure. If such objection is raised, the Local Union must be notified within a period of two weeks following the Local Union's decision. Those units who may be grouped together for the purposes of Convention representation, as provided for in Article 8, Section 5, can only raise a legitimate protest after the majority of those units so grouped take similar action. Any unit or group of units referred to above who protest in the manner outlined may elect delegates representing their unit or group on the basis provided for in Article 8, Section 5. (Detroit, 5/11/51, Page 367.)

SECTION 8

(1) Alternates in Amalgamated Local Unions

In an Amalgamated Local Union, alternate delegates can only serve as alternates for the units from which they are elected. (Detroit, 4/28/49, Pages 167-168.)

SECTION 11

(1) Eligibility for Convention Delegate

Local Unions may place no restrictions, other than those provided by this Constitution, upon the eligibility of candidates for Convention delegate. A bylaw which provides that a member must attend one out of

Art. 8, Secs. 11, 23; Art. 14, Sec. 5

every three Local Union meetings to be eligible to run for Convention delegate is invalid. (Milwaukee, 7/31/44, Page 49.)

(2) Eligibility of Convention Delegate-Trial of Member

The member in question may be denied the right to run for delegate to the Convention by Trial Committee provided it was the intent of the Local at the time it took such action. (Buffalo, N.Y., 9/8/47, Pages 72-76.)

SECTION 23

(1) Plurality Vote for Election of Delegates

The Constitution allows the election of delegates by a simple plurality and a Local Union cannot add to the provisions of the Constitution by requiring a majority vote for election as a Convention delegate. (Detroit, 5/9/51, Pages 260-264.)

ARTICLE 14

International Representatives

SECTION 5

(1) Resignation Must Precede Acceptance of Nomination

An International Representative may be nominated for Local Union office while still on the payroll of the International Union; but prior to accepting such nomination s/he must resign her/his position with the International Union. (New York City, 3/5/45, Pages 45-46.)

(2) Delegates to Joint Councils

This Section is not applicable to full-time or part-time International Representatives running for election as delegates to Joint Councils or General Councils of a Local Union. But such persons, if elected to such Councils, will not be eligible to hold office in such Councils except in conformity with this Section. (Philadelphia, 10/22/43, Page 67.)

(3) Delegates to Other Councils

This Section does not bar International Representatives from seeking and holding office in Intra-Corporation Councils or other similar councils. (Philadelphia, 10/27/43, Pages 67-68.) See also Articles 20, 21, 22, and 34.

Art. 14, Sec. 5; Art. 16, Sec. 1

(4) Members of Local Union Committees

International Representatives can serve on Local Union appointed or elected committees but with the understanding it does not conflict with their particular assignment for the International Union. (Chicago, 6/10/47, Pages 33-34.)

ARTICLE 16

Initiation Fees and Dues

SECTION 1

(1) Initiation Fees in Amalgamated Local Unions

A unit of an Amalgamated Local Union cannot establish its own initiation fee for the unit unless that right is specifically granted it by the Local Union. (Detroit, 1/10/49, Pages 53-54.)

(2) Former Members Failing to Take Military Withdrawal Certificates

Any applicant for union membership or reinstatement is entitled to exemption from payment of initiation or reinstatement fee upon presentation of her/his service discharge papers. (Los Angeles, 2/7/44, Pages 27-28.)

(3) Failure to Obtain Military Service Card

Any member in good standing who leaves for the Armed Forces but fails to obtain a Military Service Card, is, upon presentation of the proper discharge papers, entitled to all of the rights and privileges afforded under the Military Service Act. (Minneapolis, 5/1/44, Pages 88-89.) See also Article 16, Section 25.

(4) Initiation Fee Collected in Error

Where the Local has charged an initiation fee to members returning from the Armed Forces, said amount should be credited to dues, since the Constitution provides that a member discharged from the Armed Forces may become a member of this Union without paying an initiation fee. The International Union will give appropriate credit to the Local provided the Local indicates the amount due in each instance. (Minneapolis, 5/1/44, Page 88.)

Art. 16, Secs. 1, 2

(5) Merchant Marine Service

The exemption provided in this Article for men and women returning from service in the Armed Forces is applicable also to persons returning from service in the Merchant Marine. (Detroit, 8/5/44, Page 88.)

(6) Applicable to First Employment Only

The exemptions given under this Section to returned members of the Armed Forces apply only where the member's first employment after her/his return is within the jurisdiction of the UAW. Thus, a suspended UAW member who, upon her/his return from the Armed Forces, takes and holds a job outside the jurisdiction of the UAW, but who now is employed within the jurisdiction of a UAW Local, may be required to pay a reinstatement fee to her/his old UAW Local before s/he can obtain a transfer to the new UAW Local. (Detroit, 8/5/46, Page 87.)

SECTION 2

(1) Refund of Dues Paid by Probationary Employees

An employee who has joined a Local Union by having paid or having had deducted her/his initiation fee and dues within thirty (30) days of her/his employment and is subsequently terminated, laid off or quits within that period, would be entitled upon request made within sixty (60) days to a refund of all monies paid for initiation fee and dues following termination of such employment. Where such member does not request a refund of her/his dues and initiation fee, s/he may upon proper request be issued an honorable withdrawal card (Detroit, 1/15/73, Pages 103-104.)

(2) Retired Member Not Required to Pay Dues After Retirement

A member who is retired under Article 6, Section 19, of this Constitution is not required to pay regular dues following the month in which s/he is retired, if all of her/his dues obligations have been met prior to such retirement. Any compensation received following the month of her/his retirement, such as accumulated vacation pay, etc., will not obligate the member for the payment of dues as a result of receiving such compensation after retirement. (Black Lake, 6/2/72, Page 187.)

Art. 16, Secs. 9, 21, 22

SECTION 9

(1) Education Fund

It is permissible for a Local Union to use a portion of its Education Fund to defray the expense of publishing a monthly newspaper for the benefit of its members. (Washington, 11/7/45, Page 108.)

SECTION 21

(1) No Extension of Time for Payment of Dues

The fact that the last day for the payment of dues falls on Sunday does not operate to extend the time within which such dues are required to be paid under this Section. (Milwaukee, 5/1/44, Page 54.)

(2) Former Member Joining Another Local

Where a member becomes delinquent in her/his Local Union and, while delinquent, accepts employment under the jurisdiction of another UAW Local, s/he must reinstate her/himself in her/his first Local and then transfer to the second. (New York City, 3/5/45, Page 17.)

(3) Authorized Strike Will Not Make Member Delinquent

Out-of-work receipts are not required by members while engaged in an authorized strike. A member in good standing at the time her/his Local or unit goes on such strike continues in good standing for the duration of the strike and for a period of thirty (30) days after her/his return to work. (Detroit, 1/12/46, Pages 145-149.)

SECTION 22

(1) Good Standing Not Subject to Vote in the Local Union

Any member suspended by reason of having become in arrears in her/his dues is automatically placed in good standing upon complying with the requirements of this Section of the Constitution and the applicable provisions of the Local Union's bylaws. Her/His readmission to good standing is not subject to vote in the Local Union. (Louisville, 3/17/47, Pages 141-143.)

(2) Reinstatement Fees in Amalgamated Local Unions

A unit of an Amalgamated Local Union cannot establish the reinstatement fee for the unit unless it is specifically granted that right by the Local Union. (Detroit, 10/9/51, Pages 171-173.)

Art. 16, Secs. 22, 25, 26

(3) Local Union or Unit Cannot Waive Reinstatement Fee

A Local Union or unit of an Amalgamated Local Union cannot waive the reinstatement fee established by the Local Union without the approval of the International Executive Board. (Detroit, 12/6/62, Page 202.)

(4) Maximum Reinstatement Fee

The maximum reinstatement fee that may be levied under the provisions of this Section is \$50.00. (1/20/54, Page 281.) (Amended 9/12/68, Page 159.)

SECTION 25

(1) Veteran Who Failed to Deposit Transfer

Where a member takes a transfer and fails to deposit it in the Local to which s/he intended to transfer, and later enters military service and after her/his discharge applies to her/his first Local for reinstatement, s/he is entitled to such reinstatement without payment of initiation or readmission fees if s/he otherwise meets the conditions set forth in this Section. (Detroit, 8/5/46, Page 86.)

SECTION 26

(1) Vacation Pay or Bonus Previously Received Considered as a Benefit

Any member who receives vacation pay or bonus in one month and takes time off from work for a vacation leave in a subsequent month shall not be exempted from the payment of dues under this Section, since s/he had received compensation for such leave in a previous month. Vacation pay or bonuses received in any previous month within the vacation year shall be applied to the month in which such leave is taken and considered as a benefit in lieu of work for the purpose of dues liability under this Section. (Detroit, 12/6/62, Page 203.)

(2) Members Required to Pay Regular Dues while on SUB if Forty (40) Hours are Worked in Month

Where a member receives Supplemental Unemployment Benefits and during the first part of a month pays one (1) hour SUB dues for the month and is subsequently recalled to work during the same month, and receives forty (40) hours pay within that month, the member's dues for that month would be the regular minimum monthly dues as set forth under Section 2 of this Article.

Art. 16, Secs. 26, 27

If the member had previously paid the one (1) hour SUB dues *s/* he could be given credit for such payment or the one (1) hour may be refunded to her/him after receipt of the regular monthly dues. (Detroit, 11/15/71, Pages 54-55.)

(3) Laid Off Member Not on Check-off-Duty to Report

A member not covered by check-off under which the company automatically notifies the Local Union of members who are laid off or granted leaves of absence has the responsibility of reporting immediately her/his layoff or leave of absence to the Financial Secretary of her/his Local Union. If such a member does not so report her/his layoff or leave of absence within thirty (30) days of the time it commences, *s/* he would automatically be recorded on the books of the Local Union as having been issued an honorable withdrawal transfer card as of said 30th day. (Detroit, 1/21/60, Pages 182-183.)

SECTION 27

(1) 6-Month Period Calculation

In applying this Section the “first six months of such layoff or leave” means the period from the date of her/his layoff to the last day of the sixth month thereafter. For example, for a member laid off on April 10, the “first six months” would not expire until the 31st of October. Each additional month for which a member must certify in order to remain in good standing without paying dues would then automatically coincide with a calendar month. (Detroit, 7/14/61, Page 169.)

NOTE: Notwithstanding the above, when members are receiving Supplementary Unemployment Benefits (SUB) or other monies subject to dues payment, the first six month period of such layoff or leave means the period commencing the first month of which benefits are exhausted and dues are not paid or any subsequent combination of six months thereafter during that layoff.

(2) Membership Status Upon Return to Local Union from Automatic Withdrawal

When a laid off member who has been automatically noted on the records of her/his Local Union as having been issued an honorable withdrawal transfer card returns to work under the jurisdiction of her/his Local Union, her/his withdrawal status automatically ends and *s/he* becomes a member in good standing and shall resume paying dues to her/his Local Union. (Detroit, 7/14/61, Page 169.)

Art. 17, Sec. 2

ARTICLE 17

Honorable Withdrawal Transfer Cards

SECTION 2

(1) Issuance of Withdrawal Transfer Cards

A Local Union must issue a withdrawal transfer card to a member upon her/his request, provided the member’s status meets the constitutional requirements set forth in Article 17. (Chicago, 6/4/45, Pages 17-22.)

(2) Failure to Obtain Withdrawal Transfer Card

A discharged member who accepts employment outside the jurisdiction of the International Union but fails to obtain withdrawal transfer card and is subsequently suspended for non-payment of dues, is ineligible for reinstatement since *s/he* no longer is under the jurisdiction of the International Union. (Minneapolis, 7/16/45, Page 127.)

(3) Possession of Withdrawal Transfer Card- Interruption of Good Standing

Possession of the honorable withdrawal transfer card interrupts the member’s continuous good standing in a Local Union except in the following two cases:

1. Where the member has redeposited her/his withdrawal card in the Local Union in the same month in which it was issued by that same Local Union.
2. Where a laid off member has taken a withdrawal card from her/his original Local Union, transferred to another UAW Local Union, deposited her/his withdrawal card in the second UAW Local Union and, within a period of one year from her/his layoff, returns to her/his original Local Union depositing her/his withdrawal card from the second Local Union where *s/he* temporarily worked.

Unless one of these two special conditions is met, any member who is recorded as having a withdrawal card on her/his Local Union records would not again meet the one year continuous good standing until *s/* he had returned to work, redeposited her/his withdrawal card, and had remained as a continuous good standing member for a period of one year. (Detroit, 1/21/60, Pages 283-284.)

Art. 17, Secs. 2, 3

(4) Additional Exceptions to Issuance of Automatic Withdrawal Transfer Card

Members who may be elected to a national, state, or local legislative body or who are engaged in work which promotes the programs and policies of the organization, should be exempt from the issuance of an automatic withdrawal card. The decision in these cases is left to the discretion of each Local Union. Any member may, however, appeal any decision made in this respect as provided for in Article 33 of the Constitution. (Detroit, 10/11/51, Pages 273 and 274.)

(5) Escapee Not Entitled to Withdrawal Card

When a member avails himself of the escape period provided in the Local's maintenance of membership clause but continues to work, s/he remains under the jurisdiction of the International Union and therefore is not entitled to a withdrawal card. (Detroit, 8/5/46, Pages 92-93.)

SECTION 3

(1) Prosecution of Holders of Withdrawal Transfer Cards

A Local Union may not prosecute the holder of a withdrawal card under the Trial Procedure (See Article 31) during the time the card is still outstanding. The proper action is to institute proceedings to terminate the withdrawal card. (See Interpretation under Section 9 of this Article.) This must be done within sixty (60) days from the date the complainant first became aware of the alleged misconduct. (Chicago, 6/4/45, Page 21.) See also Article 17, Section 9.

(2) Returning to Original Local

A member cannot deposit a withdrawal card in the original Local or transfer back to the original Local until s/he actually has a job over which the original Local has jurisdiction. (Detroit, 1/12/46, Pages 29-30.)

In a multiple workplace corporation, however, which has a single collective bargaining agreement and an area-wide seniority arrangement under which a member laid off from one workplace is automatically returned to her/his original workplace with job rights in the original workplace but not enough seniority to be reinstated on her/his job, the member under these circumstances may be considered as being on layoff status in her/his original Local Union in accordance with the provisions of Article 16, Sections 26 and 27 of this Constitution.

Art. 17, Sec. 3

(Detroit, 4/14/60, Pages 29-30; 261-262.)

(3) Temporary Employment While Home Local on Strike

Where a member's workplace is on strike and s/he finds employment in another workplace with the permission of her/his home Local, s/he is not required to transfer to the second Local. S/He must continue to pay her/his dues to her/his home Local and the Local having jurisdiction over the workplace in which s/he is working shall waive the payment of dues by said member or permit her/him to work under a "work permit." (Detroit, 1/12/46, Pages 28-29.)

(4) Full Time Employment While Home Local on Strike

Members in good standing of a striking Local Union who obtain full time employment outside the jurisdiction of the UAW shall, unless they obtain permission from their Local Union immediately, be issued honorable withdrawal transfer cards as required by Article 17, Section 2. These members shall not participate in any activities within their Local Union until they have returned to work within the jurisdiction of their Local Union and have deposited their withdrawal transfer cards.

(5) Member of Local Subsequently Chartered by UAW

Where a person prior to entering the Armed Forces was a member of a labor organization which subsequently became a UAW Local Union, and on her/his return accepted employment in supervision, s/he is not entitled to a withdrawal card since s/he was not a "member in good standing" of a UAW Local at the time s/he entered the service. (Detroit, 8/5/46, Page 99.)

(6) Members Holding Constitutional Office Voluntarily Leaving Jurisdiction of Local Must Transfer

Members holding a constitutional office in a Local Union, who exercise interworkplace seniority in order to retain their classification or who voluntarily leave the jurisdiction of the Local Union, are required to transfer if the workplace to which they move comes under the jurisdiction of another Local Union (Louisville, 3/17/47, Pages 91-93.)

(7) Deposit of Withdrawal Card

Holders of a withdrawal card upon obtaining a job under the jurisdiction of the UAW shall deposit said withdrawal card with the

Art. 17, Secs. 3, 4, 6, 7

Local Union under whose jurisdiction s/he is then working and the Financial Secretary of the Local shall notify the original Local Union of such transactions. (Chicago, 3/1/48, Pages 814-816.)

SECTION 4

(1) Continuous Good Standing

This section is applicable only to those members whose entire seniority moves with them at the time of their transfer. (Las Vegas, 6/1/02.)

SECTION 6

(1) Withdrawal Transfer Cards may not be Exchanged for Out-of-Work Receipts

A laid off member who elects to take a withdrawal transfer card at the time of her/his layoff may not subsequently and during the layoff period deposit her/his withdrawal transfer card in return for an out-of-work receipt. Withdrawal transfer cards can be deposited only when the member has been called back to work in her/his workplace. (Cleveland, 8/4/46, Page 99.)

(2) Members Receiving SUB not entitled to Withdrawal Transfer Card

Any member laid off indefinitely who receives Supplemental Unemployment Benefits or an equivalent type layoff benefit is obligated under Article 16, Section 26, to pay dues to the Local Union and, therefore, will not be entitled to an honorable withdrawal transfer card until s/he has exhausted her/his entitlement to such benefits. (Detroit, 1/31/74, Page 281.)

SECTION 7

(1) Back Dues and Fees Owed Before Transfer

If a delinquent member is transferred to or employed at another Local Union within the jurisdiction of the UAW, the member must pay back dues and reinstatement fee to his/her original Local Union to establish continuous good standing. (Las Vegas, 6/1/02.)

(2) Refusal to Accept Withdrawal Transfer Cards

A Local Union may not refuse to accept a withdrawal transfer card in proper order if the member presenting it is eligible for membership at the time the card is offered. (Chicago, 6/4/45, Page 21.)

Art. 17, Sec. 9

SECTION 9

(1) Right to Defend Against Termination of Withdrawal Transfer Card

Before a withdrawal transfer card can be terminated, the Local Union must give the member an opportunity to appear at a meeting and present her/his defense. (Grand Rapids, 9/8/44, Page 22.)

(2) Procedure for Termination of Withdrawal Transfer Card

The following procedure governs the termination of withdrawal transfer cards “for good and sufficient reasons”:

(a) A motion to terminate the withdrawal transfer card should be made at a Local membership meeting. The reasons should be given in the motion.

(b) Action on the motion should then be deferred to a later meeting and a committee appointed to investigate the reasons in order to determine whether they are “good and sufficient.”

(c) The committee should conduct an investigation, making inquiry as to the validity of the reasons. The person whose withdrawal card is sought to be terminated should be given full opportunity to answer all charges made. (This is not a “trial” but an investigation which the committee may conduct in such manner as it deems best suited to getting the facts. If it desires, it may hold a “hearing” and permit witnesses on both sides to be heard.)

(d) The committee should then present its findings and recommendations to a subsequent membership meeting, which should act by either adopting or rejecting the motion to terminate the withdrawal transfer card.

(e) The member involved should be afforded full opportunity to present her/his contentions to the meeting.

(f) The Local should then vote on the question: “Shall the withdrawal transfer card be terminated?” (Chicago, 6/4/45, Pages 20-21.)

(3) Effect of Termination of Withdrawal Transfer Card

The termination of a withdrawal transfer card does not terminate the membership of the person who held the card, but returns her/him

Art. 17, Secs. 9, 12; Art. 19, Sec. 3; Art. 20, Sec. 1
to the status of other members with the same obligation to pay dues,
etc. (Grand Rapids, 9/7/44 and Chicago, 6/4/45, Pages 20-21.)

SECTION 12

(1) Applies Only to Persons With Authority to Hire or Discharge

Under this Article and Section, the positions with management referred to within this Section, apply only to positions with the authority to hire or discharge or otherwise affect the status of employment of the members within the jurisdiction of the Local Union. (Detroit, 9/9/66, Page 246.)

ARTICLE 19
Contracts and Negotiations

SECTION 3

(1) Separate Ratification Rights for Skilled Trades

Where separate ratification rights have been approved for skilled trades, only skilled tradespersons may vote in such contract ratification meetings for skilled trades. (Black Lake, 6/10/71, Pages 276-277.)

(2) Interest Arbitration and Ratification

Where, pursuant to a prior contractual agreement, bargaining occurs in a context where interest arbitration is the exclusive means to resolve impasse, the membership will be presented with full information about the final offers by management and the union, and will be given an opportunity to vote on whether to accept management's offer or proceed to interest arbitration in defense of the union's final offer. The meeting at which such vote is taken shall be conducted in accordance with the normal procedures for ratification votes. This procedure shall constitute compliance with the requirements of Article 19, Section 3. (Flint, 11/10/05)

ARTICLE 20
National and Corporation Bargaining Councils

SECTION 1

(1) Locals Must Affiliate and Pay Tax

It is mandatory on all units or Locals that they affiliate with an

Art. 20, Sec. 1; Art. 26, Sec. 4; Art. 29, Sec. 6; Art. 31, Sec. 1
Intra-Corporation Council if one is set up; it is also mandatory that the per capita tax due such Council be paid. (Milwaukee, 4/16/45, Pages 130-131; Minneapolis, 7/16/45, Page 122; Detroit, 1/12/46, Pages 53-54.)

SECTION 6

Local publications shall conform with the policies of the International Union and all Local Union Editors and/or Editorial Committees shall be responsible to the Officers and Executive Board of the Local Union who shall have authority to effectuate such conformity. Where a unit of an Amalgamated Local Union has a publication, such initial responsibility shall be to the unit officers, but the Amalgamated Local Union Officers and Executive Board shall still have the ultimate authority of effectuating such conformity. (Detroit, 6/2/14.)

ARTICLE 31
Trials of Members

SECTION 1

(1) Charges Must Be Specific

In order for charges to be properly filed under the provisions of this Section of the Constitution, the charges must specifically set forth the nature of the alleged offense or offenses.

Charges that are based on broad generalities such as "conduct unbecoming a union member" or "violation of the Constitution" do not fulfill the constitutional requirements of this Section of the Constitution unless the nature of the conduct in question or the nature

Art. 31, Secs. 1, 2, 3

of the violation of the Constitution are clearly set forth in the charges. (1/21/54, Page 296.)

(2) Convention Delegates Failing to Follow Local’s Instructions

There is no authority in this or any other Section of the Constitution for preferring charges or trying Convention Delegates who fail to vote at the Convention in accordance with “instructions” of their Local Union. Delegates to the Convention meet to legislate on matters affecting the entire International Union and they are not bound, either legally or morally, to follow “instructions” of their particular Local Unions relative to their voting. They are entitled to base their judgments and their votes upon facts and considerations presented to them at such Conventions-material which may not have been previously within the knowledge of themselves or the membership of the Locals which they represent. (Philadelphia, 10/22/43.) See Article 8. (Page 9.)

(3) Trials During Administratorship

Appointment of an Administrator for the Local Union affects neither the status of Local Union members nor the existence of the Local and trials held during the period of administratorship must conform with the requirements of this Article of the Constitution.

In such cases the charges should not be filed by the Administrator, but by a member or members of the Local Union. (Chicago, 6/8/45, Page 58.)

SECTION 2

(1) Where Recording Secretary has been Suspended

Where an Administrator for the Local Union has been appointed by the International Executive Board and the Recording Secretary has been suspended, charges should be submitted to the Administrator, or to the person who has been designated by the Administrator to act in the capacity of Recording Secretary during the period of administration. (Chicago, 6/8/45.)

SECTION 3

(1) Charges Against the Entire Local Union Executive Board

Under this Article and Section, where charges have been placed against the entire Executive Board of a Local Union, the Local Union Executive Board would be obligated to procedurally determine whether the charges were proper in accordance with the limitations as

Art. 31, Sec. 3

set forth under (a), (b), (c), (d), and (e) of this Section. However, where charges are brought against one or more members of the Local Union Executive Board, or made by one or more members, those member(s) so charged and member(s) making the charges shall withdraw from participating in the Local Union Executive Board’s procedure required to determine the propriety of the charges. The remainder of the Local Union Executive Board would determine whether the charges were proper. (The application of this interpretation will be re-examined if under certain circumstances, its implementation does not serve the democratic purposes intended by this interpretation.) (Revised 6/23/83)

(2) Charges Are Not To Be Investigated

Article 31 charges are procedurally reviewed by local executive boards to determine if they are proper or improper pursuant to the sub-sections of Section 3. Charges are to be reviewed, as submitted, based on their specific content. No investigation is required or proper. The addition of Section 3(e) at the 32nd Constitutional Convention requiring substantial direct evidence as well as the evidence of at least one (1) corroborating witness does not change the historical method of review. (Las Vegas, 6/1/02).

(3) Postponement of Trial

There is nothing in the procedural provisions of this Article including those contained in Section 8 of Article 31 which would cause postponement of trial proceedings to result in the end of trial. Since charges were submitted and since charges have not been withdrawn by the accuser, it is mandatory that a trial be held (unless the charges have been considered to be improper by the Local Union Executive Board, pursuant to Article 31, Section 3). (Buffalo, 9/8/47, Pages 66-67.)

(4) Trial Committee Must Report Their Findings

There is nothing in the procedural provisions of Article 31 which would cause the dismissal of the Trial Committee because of a delay in reporting their findings. When charges are submitted and have not been withdrawn by the accuser, it is mandatory that the selected Trial Committee function until they have reported their findings to the body selecting them, as provided for in Article 31 (unless in the meantime the charges are withdrawn by the accuser or considered to be improper by the Local Union Executive Board, as provided in Article 31, Section 3). (Detroit, 5/11/51, Page 370.)

Art. 31, Secs. 3, 6, 10

(5) Charges that Grievances Have Been Improperly Handled

Where charges on their face set forth no more than an accusation that a Committeeperson, Steward, or some similar official or body has used poor judgment, or has not exercised the proper degree of discretion or wisdom in handling a grievance, such charges should not be processed under Article 31, Section 3, of the International Constitution. Such attack upon the judgment, discretion or wisdom of an official or body in handling the grievance would not constitute any specific violation of this Constitution or conduct unbecoming a member and would, therefore, be an improper accusation to submit to a Trial Committee. Where a member believes her/his grievance has been improperly handled without the exercise of proper judgment, discretion and wisdom, her/his remedy lies in the regular procedures established for such review under Article 33 of the Constitution. (Detroit, 1/27/61, Pages 205-206.)

SECTION 6

(1) Member Must have Notice of Charges

The suspension provisions of Article 31, Section 6 of the Constitution cannot be invoked until after the accused is in possession of the receipted registered or certified letter outlining the charges that had been preferred against her/him. (9/9/53, Page 233.)

SECTION 10

(1) Effective Date of Suspension

In the event a Local Union Trial Committee suspends a member from office or membership as a result of their trial findings and such decision is properly approved by the Local Union membership, such suspension shall become effective as of the date stipulated by either the Local Union Trial Committee or the Local Union membership. If the Local Union Trial Committee or Local Union membership fail to stipulate the effective date of suspension, the suspension shall become effective the date the membership approved such suspension. (Detroit, 5/1/53, Page 182.)

(2) Suspension from Local is Suspension from International

When a member is duly suspended or expelled by her/his Local Union, s/he automatically is suspended or expelled as a member of the International Union. (Washington, 7/12/45, Page 94.) See also Article 6, Sections 9 and 14.

Art. 31, Secs. 10, 11

(3) Report of Trial Committee

A Trial Committee is not a "committee" in the sense in which the word is ordinarily used. It is in the nature of a jury. It is inappropriate for it to make a "minority report." When it votes on the verdict and judgment and fixes guilt and the penalty by a two-thirds (2/3) vote, the accused is found "guilty" and the penalty attached, subject to the approval of the membership. Dissenting members of the Committee have the right to vote in the Committee on the issues of guilt and penalty, but in the event the majority against them is two-thirds (2/3), the guilt and penalty are established as far as the Trial Committee is concerned. There is nothing for a dissenting member to "report" to the membership although s/he, of course, has the right to participate in the deliberations of the membership meeting, at which time s/he may advance any reasons for arguments s/he pleases in the effort to influence the meeting to approve or disapprove the verdict and judgment of the Trial Committee. S/He does this, however, as a member of the Local Union and not as a member of the Trial Committee. (New York, 12/11/46, Pages 52-53.) See also Interpretation No. 1 under Section 11 of this Article.

(4) Failure to Reach Verdict by Trial Committee-Acquittal

Where a Trial Committee under this Article and Section does not reach a verdict of guilty by a two-thirds (2/3) vote, the Trial Committee is required to report same to the membership of the Local Union and the member stands acquitted. (Detroit, 9/9/66, Page 245.)

SECTION 11

(1) Membership Vote on Trial Committee's Report

The vote upon the report of the Trial Committee should be in two parts:

(a) The membership should vote upon the "verdict," that is, as to whether or not the accused shall be held to be guilty. If such a motion is not approved by a majority vote, the accused stands acquitted, and no further action by the meeting is necessary.

(b) If the verdict of "guilty" is approved by a majority vote, the membership should then proceed to vote on that portion of the Trial Committee's report which specifies the penalty. In connection with the vote on the penalty, a majority vote is also necessary to approve the penalty fixed by the Trial Committee.

Art. 31, Sec. 11; Art. 33, Secs. 2(a), 4(h)

If it is the intention of the meeting, having approved a verdict of guilty, to effect a modification of the penalty, this may be done by voting down that portion of the report which specifies the penalty (by a majority vote) and then by a majority vote adopting a separate motion embodying a different penalty. (New York, 12/9/46.) See also Interpretation No. 3 under Section 10 of this Article.

(2) Right to Inspect Trial Records

A Local Union may not provide that “The records of trials shall not be available for inspection to any person or member of the Trial Board, unless authority is obtained at a membership meeting by a majority vote.” (Minneapolis, 7/16/45, Page 30.)

ARTICLE 33
Appeals

SECTION 2(a)

(1) Appeals Where Legality of Trial Committee is in Question

In the case of an appeal arising out of a trial in a Local Union or unit, where it appears to the International Executive Board that there is a question as to the legality of the existence of the Trial Committee, the Board has the right to consider such questions, even though the decision of the lower tribunal has not been complied with. (Detroit, 4/22/47, Page 74.)

SECTION 4(h)

(1) Failure of Appellant(s) to Appear at Appeal Hearing

Where a member or members of a Local Union submits an appeal to the International Executive Board in accordance

with the provisions of Article 33, Section 3(d) of the International Constitution, and does not appear at the hearing established in accordance with the requirements of Article 33, Section 4(h) of the International Constitution, by the International Executive Board appeals team or the International President, after due and proper notice, the appeal may be dismissed by the International Executive Board on the grounds that the member or members did not meet the provisions of the International Constitution which require her/his or their attendance at such hearing. Therefore, the appeals team or the International President, may determine that the appeal is considered as having been withdrawn by the appellant or appellants due to her/his or their failure to appear at the hearing as required by the International

Art. 33, Sec. 4(h); Art. 34, Sec. 1; Art. 35, Sec. 2
Constitution.

The appeals team may at its discretion review the circumstances motivating such an appeal if, in its judgment, it is determined that a review of such circumstances would be in the interest of justice or requires constitutional correction. (Detroit, 8/11/60.)

(2) Jurisdiction of Nine-Member Committee

The Nine-Member Committee of the International Executive Board is authorized to make a decision on all appeals submitted to it by an Appeals Committee under this Article, as well as appeals under Article 48, Section 5; Article 31, Section 24; Article 38, Section 13; and any other appeals wherein the Constitution states that such appeals will be processed in a similar manner as appeals to the International Executive Board from decisions of subordinate bodies under Article 33 of this Constitution, or reports by Special Committees appointed by the Board to investigate disputes presented to that body. (Detroit, 3/7/63, Pages 327-328.)

ARTICLE 34
District Councils

SECTION 1

(1) Constitutionally Established District Councils

In order for a District Council to be a legally and constitutionally established Council, it would be necessary for the majority of all the Local Unions (representing a majority of the membership) within the geographical district, as geographical districts are defined in Article 10, Section 21, of the Constitution, to request the establishment of such District Council. (Detroit, 5/11/51, Page 377.)

ARTICLE 35
Amalgamated Local Unions

SECTION 2

(1) Authority of Joint Councils

A bylaw that provides that the regular general membership meeting can overrule the action of the Joint Council is unconstitutional. The democratic rights of the membership are protected by the referendum vote provided for in Article 35, Section 3 of the Constitution. (Detroit,

SECTION 3

(1) Members of Amalgamated Voting Against Dues Increase

An Amalgamated Local may increase the dues of the members in all of its units if the increase is ratified by a majority secret ballot vote of the membership and otherwise is in conformity with the Constitution (See Article 47.) Such a valid increase in dues by an Amalgamated Local is binding upon all of its units including those units which voted disapproval of the dues increase. (Detroit, 1/21/60.)

(2) Division of Funds of Amalgamated Local

Two units comprising an Amalgamated Local may not divide the Local's income between the units according to the number of members of each and still remain an Amalgamated Local. The officers of an Amalgamated Local are elected by all units jointly and they are responsible for the entire income and expenditures for the units. (Washington, 11/7/45, Page 110.)

SECTION 3(a)

(1) Units of Only One (1) Person

In units of only one (1) employee, it is obviously impossible to elect two representatives. The language of Article 35, Section 3(a) shall therefore be deemed satisfied if only a single representative to the Joint Council is accorded to such single-person unit(s). (Las Vegas, 6/16/06)

SECTION 3(c)

(1) Unit Autonomy-Internal Structure

The delegate body of an Amalgamated Local is without authority to legislate on the internal structure of any unit in the Local. It is the prerogative of the unit to legislate its own internal structure. (Chicago, 4/16/46, Page 52.)

(2) President Not Officer of Unit

The President of an Amalgamated Local is elected on a local-wide basis and is therefore not an officer of the unit from which s/he comes. (Detroit, 8/5/46, Page 97.)

Local Union Charters and Subordinate Bodies

SECTION 9

(1) Amalgamated Local Unions

In Amalgamated Local Unions where there are only two units and one of the workplaces goes out of business and there are no longer any members employed in that unit, such laid off members of the abandoned unit shall be treated in the same fashion as members of a single workplace Local Union that goes out of business. (Detroit, 5/25/59, Pages 36-37.)

ARTICLE 37

Duties and Powers of Subordinate Bodies

SECTION 4

(1) Shift Meetings

Where Local Unions hold shift meetings the following rules must be observed:

1. Where the first meeting introduces and passes a motion, the subsequent meetings cannot table the motion. It is mandatory that the later meetings vote on the motion as passed by the first meeting.

2. When the first meeting originates a motion, the succeeding meetings cannot introduce another motion on the same subject inasmuch as all of the shift meetings are actually one.

3. When the succeeding meetings introduce and pass motions, they must be held over for final action to give the first meeting the opportunity of voting on the motion the next time they meet. (Detroit, 8/9/49, Pages 309-311.)

SECTION 4(a)

(1) Action of Workplace Council Binding in Between Membership Meetings

Where a Local Union or a unit of an Amalgamated Local Union holds general membership meetings every three (3) months and an appropriate workplace council has been established in accordance with this Article and Section, the actions and/or decisions made by the workplace council in the intervening months shall be binding upon

Art. 37, Secs. 4(a), 5

the Local Union as though taken by the membership. Such actions or decisions can only be rescinded in the same manner that is required for rescinding a membership action or decision. (Black Lake, 9/2/75, Page 278.)

SECTION 5

(1) Attendance Rules Cannot Be Made Eligibility Requirements

This Section of the Constitution cannot be employed to make attendance of meetings a condition of eligibility to run for office. The attendance provision can only be applied after a member is elected to a Local Union position. (5/27/53, Pages 72-76.)

(2) Removal from Office Does not Affect Eligibility for UAW Convention Delegate

Where a member holding an elective position is removed from office for her/his failure to comply with the Local Union attendance rules and is therefore ineligible to run for any position for the remainder of the term of office from which s/he was removed, it does not affect her/his eligibility to be a candidate for delegate to a UAW Constitutional Convention. (1/20/54, Page 277.)

(3) Appointed Representatives-Local Union Bylaws

Local Unions must have requirements in their Local Union Bylaws providing that any member holding any Local Union elected position must attend two (2) of three (3) membership meetings and two (2) of three (3) meetings involving their office or position or be automatically removed from the position to which they were elected.

A number of collective bargaining agreements contain provisions whereby the Department Director, Regional Director or Local Union may appoint Benefit Plans Committee Members, Apprentice Committee Members, Health and Safety Representatives, Alcohol and Drug Abuse Representatives, etc. The question has arisen as to whether or not such Union appointees are also governed by the attendance requirements contained in the Local Union Bylaws.

Where such bylaw provisions are uniformly applied, contain mechanisms for reasonable excuse and were approved by the International Union, then they apply with equal force to such appointed representatives upon submission of the facts to the Department

Art. 37, Sec. 5; Art. 38, Secs. 1, 2

Director or Regional Director, as the case may be, for necessary action of his or her office. (12/15/80, Pages 157-158.)

ARTICLE 38
Local Union Officers

SECTION 1

(1) Candidate for More Than One Executive Board Office

A candidate may not run for more than one (1) Local Union Executive Board office on the same ballot. (Los Angeles, 2/7/44.) Thus s/he cannot run for Trustee and Board Member-at-Large at the same time. (New York City, 3/5/45, Page 14.)

(2) Executive Officer and District Committeeperson

There is nothing in the International Constitution which bars an individual from holding both an Executive Office in her/his Local and a position such as District Committeeperson in the Local. However, a Local Union has the right to provide in its bylaws that officers of the Local may not also hold the position of Committeeperson or Steward, etc. (Detroit, 8/5/46, Pages 105-106.)

(3) Right of Committeepersons to Run for Executive Office

The Local Union cannot bar a Committeeperson from running for an Executive Office, however, it can make rules which prohibit a member from simultaneously holding two (2) elective offices. (Louisville, 3/17/47, Page 93.) (NOTE: See the preceding Interpretations under this Article and Section.)

SECTION 2

(1) Deadline Fixed By Local Union

The Local has the power to set the deadline for accepting nominations. If the Local Union fails to set the deadline, then the deadline should be set by the Local Union Election Committee in the exercise of its own sound judgment. (New York City, 3/5/45, Page 16.)

(2) Acceptance After Declining Nomination

Following the deadline of acceptance of nominations, no candidates will be added or removed from the ballot. This shall apply in all elections. (Las Vegas, 6/1/02.)

Art. 38, Sec. 2

(3) Notice in Run-Off Election for Officers

Where there is no notice of a run-off election for Local Union Executive Officers given prior to the date of the general election, at least fifteen (15) days shall elapse from the time of the general election to the time of the run-off election. Local Unions may establish a date for the run-off election any time after the original election so long as the membership has at least fifteen (15) days' notice of the date the run-off is to be held.

It is advisable that the notice of the original election include a notice regarding a run-off election if such should be necessary. For the legal requirements of mailing such notices to each member, reference is made to the Election Guide. (Detroit, 1/21/60.)

(4) Majority Vote

Where a Local Union provides in its bylaws that offices not covered by Article 38, Section 1, require a majority of votes rather than a plurality, in cases where there are more than one (1) to be elected to office, example, Bargaining Committee, the following formula will be used when specific rules are not provided to implement the bylaws of the Local:

All votes received by all candidates for office will be totaled. (If there are fifteen (15) running for Committeeperson all votes received by all candidates will be totaled.) This total will then be divided by the number of candidates to be elected. This figure will then be divided by two (2) giving the figure, plus one (1), which is to be considered the majority point. Candidates receiving more votes than this majority figure will be declared elected.

If run-offs are necessary, twice the number of candidates in ranking order for the ranking position to be filled will be placed on the ballot. (Chicago, 3/1/48.)

(5) Majority Vote for Trustees

Where Local Unions are electing three (3) trustees for three-year terms, the following rules shall apply:

(1) Trustees are elected simultaneously and there is no distinction between the two offices and the membership is entitled to vote for three (3) trustees.

(2) Where there are less than seven (7) candidates, the three (3)

Art. 38, Secs. 2, 3

candidates receiving the greatest number of votes shall be declared elected.

(3) Where there are seven (7) or more candidates, the majority point is determined by adding the total votes cast for the office of trustee, dividing by the number of positions to be filled, which is three (3), again dividing by two (2); which will determine the fifty (50) percent mark, and then adding one (1) to determine the majority point.

(4) In the event more than three (3) candidates receive a majority vote, the three (3) candidates with the greatest majority shall be declared elected.

(5) Where there are seven (7) or more candidates and no candidate receives a majority, the run-off is confined to the six (6) candidates receiving the greatest number of votes.

(6) Where there are seven (7) or more candidates and only one (1) candidate receives a majority the run-off is confined to the candidates who finished in second, third, fourth and fifth position.

(7) Where there are seven (7) or more candidates and only two (2) candidates receive a majority, the run-off is confined to the candidates who finished in third and fourth positions. (Detroit, 1/21/60, Pages 809-812.)

(6) Nomination and Election of Officers

In the matter of nominating and electing Local Union officers, nominations may be held within forty-five (45) days prior to the holding of the election, but triennial Local Union elections may not be held earlier than the month of May, unless otherwise authorized by the International Executive Board. (Black Lake, 6/2/72, Pages 185-186.)

(7) Right of Members to Nominate

Where a Local Union in the United States adopts a nominating procedure that all members stand nominated, such procedure must also provide the opportunity for a member or members to nominate candidates of their choice during the nomination period. (Detroit, 1/31/74, Pages 214-215.)

SECTION 3

(1) One (1) Year Good Standing Mandatory for Executive Officers

Art. 38, Sec. 3

Compliance with this “one (1) year continuous good standing rule” governing eligibility for Executive Offices is mandatory and cannot be waived or shortened except in cases of new Locals. (New York City, 3/5/45, Pages 18, 24, and 58.)

(2) Eligibility for Local Union Office Where Funds Have Been Misappropriated

Any member who has been found guilty of misappropriating funds and has not made full restitution to the Local Union would not be eligible to hold an office which required bonding. After full restitution is made and the member is eligible for bonding, s/he would be eligible to be a candidate for holding a Local Union office which requires bonding provided the member is otherwise eligible under the Constitution. (Detroit, 5/25/59, Pages 39-41.)

(3) Lack of Qualified Nominees Who Accept

The fact that there are an insufficient number of accepting nominees with one (1) year’s continuous good standing will not alter the Constitution’s one (1) year requirement for candidates for Executive Offices. (New York City, 3/5/45, Pages 21-22.)

(4) Suspension Breaks Continuous Good Standing

If a Trial Committee reaches a verdict of “guilty” and the Trial Committee’s decision is upheld by the membership, any suspension of membership prior to (See Article 31, Section 6) or after the trial would constitute a break in the member’s continuous good standing even though s/he continued to pay dues. (Detroit, 2/2/51, Page 325.)

(5) Meaning of “Continuous”

Where during any portion of the one (1) year period immediately preceding the nomination a nominee has been in arrears in the payment of her/his dues more than the time allowed by the Local (which under Article 16, Section 21, cannot be more than one (1) calendar month), s/he has not been in “continuous” good standing in the Local and, hence, is ineligible to run for an Executive Office. S/He may seek a non-Executive Office such as Steward where a shorter period has been fixed by the Local under Section 4 of this Article. (New York City, 3/5/45, Pages 23-24.)

(6) Holder of Withdrawal Card Not Member in “Continuous Good Standing”

Art. 38, Sec. 3

A member holding a withdrawal card is not a member in “continuous good standing” for one (1) year and hence cannot run for Executive Office in the Local. Her/His “continuous good standing” commences as of the date upon which s/he deposits her/his withdrawal card with the Local. (New York City, 3/5/45, Page 47.) See Interpretation No. 4 under Article 17, Section 2.

(7) Members of New Units Seeking Executive Office in Amalgamated Locals

Where a unit has not been in the Amalgamated Local for one (1) year, a member of that unit cannot be a “member in continuous good standing in the Local Union for one (1) year” and hence is ineligible to run for Executive Office in the Local. Such member may be eligible for a non-Executive Office or other elective position in the Local under the eligibility rules fixed by the Local in accordance with Section 5 of this Article; provided, the beginning of the period fixed for eligibility does not predate the time when such individual joined the Union as a member of the organized unit of the Amalgamated Local. (New York City, 3/5/45, Page 23.)

(8) Eligibility as Affected by Attendance at Local Union Meetings

Bylaws which further limit the eligibility of members for Executive Office by requiring that they must have “attended at least six (6) regular membership meetings within twelve (12) months prior to date of nomination”; or that “member in good standing must have attended at least fifty (50) percent of the regularly scheduled general membership meetings in the year immediately prior to the nomination” are invalid. (New Orleans, 1/22/45, Pages 124-125; Chicago, 6/4/45, Pages 59-60.)

(9) Locals Merging Does Not Affect Members’ Continuous Good Standing

Where Local Unions are merged, the members in good standing of the Local Unions so merged will be considered members in good standing of the Local they are merged into. (Detroit, 3/30/48, Pages 92-94.)

(10) Local May Not Increase Eligibility Requirements for Candidates for Executive Offices

A Local Union is without power to add to the qualifications fixed by the Constitution of the International Union for candidates for

Art. 38, Secs. 3, 4, 7

Executive Offices, and bylaws requiring nominees for Executive Offices to be present at nomination meetings, or to be represented by proxy, or to give good reason for being absent from such meetings, in effect add additional qualifications and are therefore invalid. (New York City, 3/5/45, Pages 3 and 6.)

SECTION 4

(1) Eligibility for Election to Non-Executive Offices

The Local Union may determine the eligibility for election to all elective offices and positions in the Local except those Executive Offices enumerated in Section 1 of this Article. (New York City, 3/5/45, Page 25.)

(2) “Good Standing” Requirement for Non-Executive Offices

A Local Union cannot require more than one (1) year continuous good standing as a condition of eligibility for non-executive offices, but does have the discretion to set an eligibility requirement of less than one (1) year. (4/28/55, Page 253.)

(3) Election Committee May Not Fix Eligibility Requirements

An Election Committee may not rule a candidate ineligible to run for non-Executive Office or position in the Local such as Committeeperson, except in accordance with the eligibility requirements fixed by the Local. Where the Local has not fixed “continuous good standing for one (1) year” as an eligibility requirement under this Section for non-Executive Offices, the Election Committee may not impose such a requirement. (New York City, 3/31/44, Page 14.)

(4) Chairperson of Unit Committees

An Amalgamated Local Union may provide in its bylaws that the Chairperson of the unit Bargaining/Negotiating Committee shall automatically be considered elected to and function as an Executive Board Member-at-Large. (Detroit, 8/5/46, Page 100.)

SECTION 7

(1) Right of Members to Attend Local Board Meeting

A non-member of the Local’s Executive Board does not have an absolute right to attend the meetings of the Local’s Executive Board.

Art. 38, Secs. 7, 9, 10

The conduct of Local Board meetings, within the limits set forth in this Section of the Constitution, is a matter which is governed by the Local Union’s Bylaws and practice. However, any member may appeal to the Local membership and further to the International Union from any refusal on the part of the Local Executive Board to grant her/him a hearing. (Detroit, 8/5/46, Page 105.)

(2) Right of Local Union Executive Board to Expend Funds

The decision as to what is “urgent business” which “requires prompt and decisive action” is one which the Local Executive Board must make for itself, subject to the right of the membership to question the soundness of the Board’s decision in each case. (Louisville, 3/17/47, Page 93.)

SECTION 9

(1) Only Offices of Financial Secretary and Treasurer may be Combined

Under the Constitution only the Executive Offices of Financial Secretary and Treasurer may be combined. (Milwaukee, 8/4/44, Page 83.)

(2) When Offices May Be Combined

The offices of Financial Secretary and Treasurer can be combined only at the next regular election of Executive Officers of the Local. (Washington 11/7/45, Page 109.)

SECTION 10

(1) Use of Slates of Candidates-Statement of Policy

In a number of Local Unions situated in communities where voting machines are used in public elections, the Locals have been making use of voting machines in Local Union elections. Since public elections are ordinarily conducted on the basis of political parties, the names of candidates usually appear on these voting machines as slates representing particular political parties. A number of Local Unions using voting machines have followed this practice, presenting the names of candidates for Local Union offices to be voted upon as slates and not individually.

While this practice is clearly proper and legitimate in public elections involving political parties, it is the view of the International Executive Board that it is not proper or legitimate in elections held in

Art. 38, Secs. 10, 10(a)

Unions whether the party ticket appears on a voting machine or on a printed ballot. Every voter in a Local Union election is entitled to vote for her/his individual choice for any office.

It is obvious that in the case of voting machines the names of candidates may appear in rows, designated in some distinctive manner, such as Row A, Row B, etc. There can be no objection to this, provided (1) that the method of designation is merely by letters or numbers or other means which do not in any manner attempt to characterize the candidates, and (2) that neither the particular row used, nor the order of the names appearing upon it, in any manner suggests any choice or preference for particular candidates, or otherwise purports to give any candidate an advantage over any other candidate; and that the voting machine must allow for individual voting for each position regardless of which slate a member appears on.

The particular row in which the slate of candidates appears should be determined without favor or discrimination and the rows should be systematically rotated so as to provide that each row appears approximately the same number of times in each position available.

It is the view of the International Executive Board that Local Union elections which are conducted in violation of this procedure are undemocratic, contrary to the spirit of the Constitution of the International Union, and violative of its traditions.

All Local Unions are required to conduct their elections in conformity with this statement of policy. (Revised 6/23/83, Pages 149-150.)

(2) Financial Secretary Present at Polling Place

Where the membership has approved, the rules of the Election Committee may permit the Financial Secretary of the Local to be present at the poll at the time of voting for the purpose of guarding the records and books for which her/his office is responsible. And this is unobjectionable even though the Financial Secretary is a candidate for reelection. (New York City, 3/5/45, Pages 26-27.)

SECTION 10(a)

(1) Eligibility of Member to Vote-Check-Off

Where a member has signed a dues check-off card but the company's failure to check off her/his dues has caused her/him to appear delinquent on Local Union records, s/he nevertheless, is in

Art. 38, Secs. 10(a), 10(b)

good standing and eligible to vote. (New York City, 3/5/45, Page 68.) See Article 16, Section 32 of the Constitution.

(2) Office Workers' Right to Vote

Office workers who are organized in the Local are members and must be accorded the right to vote and to run for Delegate to Conventions. (Milwaukee, 8/4/44, Pages 265-266.)

(3) All Members Must Have Opportunity to Vote

A Local Union may conduct an election for Bargaining Committeepersons by any method which suits the needs of the Local, so long as such method ensures a fair and democratic election. But where the Local's Election Committee has so limited the voting time as to make it impossible for some of the members of the Local to vote (as for example night shift workers), such a method is illegal in that it fails to assure a fair and democratic election. (Detroit, 8/5/46, Page 100.)

SECTION 10(b)

(1) Procedure for Limited Absentee Balloting

A Local Union may make provisions for members to vote in their Local Union elections, as indicated above, at its option wherever practical. Should the Local Union determine that it desires or requires such provisions, the Local Union may, by affirmative action of the membership, provide for such voting.

The procedure that may be adopted by the Local Union prior to nominations in any election in which such rules would apply, is as follows:

1. A member who will be away from her/his Local Union during the entire period of an election of executive officers or Convention delegates on a work assignment for her/his employer or on Local Union business may apply for an absentee ballot by filing with her/his Local Union, by mail (registered or certified) or in person, a signed statement that s/he will be away from her/his Local Union for the entire period of the election on a work assignment by her/his employer or on Local Union Business. Such statement or request must be filed with the Local Union in sufficient time for the member to secure a ballot and redeposit same with the Local Union prior to the start of the election.

2. Upon such certified application, the Local Union shall immediately provide the member with a ballot and two envelopes, one

Art. 38, Secs. 10(b), 10(c), 10(d), 10(e)

return-addressed. The member shall place her/his marked ballot in the unmarked envelope and enclose it in the return- addressed envelope.

3. The ballot as indicated may then be presented to the Local Union in person or as contained in the return-addressed envelope returned by mail (registered or certified). However, under either circumstance, the ballot must be received by the Local Union before the start of the election. (Detroit, 4/4/67, Pages 185-186.)

SECTION 10(c)

(1) Responsibility of Local Union Election Committee to Cooperate with Local Union Officers

Local Union Election Committee is obligated, in the preparation for an election required by the Local Union to be conducted by the Election Committee, to consult and cooperate with the Officers of the Local Union in establishing the procedures for such election. However, the actual conduct of the election is entirely the responsibility of the Election Committee. (Detroit, 1/31/74, Pages 212-213.)

(2) Postponement of Election

The Election Committee can, once the date of election has been posted, refuse the request of the Local Union President to postpone the election. Such decisions by the Election Committee are not subject to revision by either the Local Union Executive Board or the Local Union President. (Louisville, 3/17/47, Page 100.)

SECTION 10(d)

(1) The Local Union Executive Board May Establish Election Dates, Etc., in the Absence of a Quorum

In unusual circumstances, where the Local Union still holds general membership meetings, and is unable to secure a quorum immediately preceding the required time to begin the conduct of their elections, the establishment of the date and other specifics in connection with the election may be established by the Local Union Executive Board. (Detroit, 1/29/71, Pages 480-481.)

SECTION 10(e)

(1) Election Committee Members Must Resign to Seek Office

Any member of an election committee who accepts nomination to run for Local Union Office which is conducted under the supervision

Art. 38, Secs. 10(e), 10(f), 10(g), 12

of the Election Committee, of which s/he is a member must resign from the Election Committee for the duration of the term if s/he becomes a candidate. (Detroit, 8/11/60, Pages 138-139.)

SECTION 10(f)

(1) Designation of Candidates

Local Unions have the right to decide what designation candidates having the same name shall use on the ballot for purposes of identification. Where one candidate is the incumbent, the word "incumbent" may be used opposite her/his name to distinguish her/him from another candidate of the same name seeking the same office. (Los Angeles, 2/10/44, Page 34.)

SECTION 10(g)

(1) Candidates as Challengers

Each candidate may have a challenger but a candidate cannot be a challenger. (New York City, 3/5/45, Page 21.)

(2) Election Rules on Recount

A Local Union cannot require the filing of a bond or other security as a condition to filing for a recount. (Minneapolis, 7/16/45, Pages 29-30.)

SECTION 12

(1) Preservation of "Ballots" Where Voting Machines Used

Where a Local Union uses voting machines which do not automatically print tally sheets, the requirement for preservation of ballots can be met by having the totals copied from the machines onto sheets of paper and certified as accurate by the Election Committee. Any challengers who are present during the counting should be asked to also sign their names to these sheets. (Detroit, 1/21/60.)

Art. 40, Secs. 1, 3

ARTICLE 40
Duties of Local Union Officers

SECTION 1

(1) Supervision of Local Union Clerical Help

The maintenance of the Local Union office is under the President's jurisdiction, and s/he employs such office help as is required, subject to the approval of the Local Union's Executive Board. When any of the office employees are performing duties at the direction and on behalf of any of the Executive Officers in connection with their official duties, such employees are under the supervision of such Executive Officer or Officers until such time as the duties are completed. (New York City, 3/5/45, Pages 38-39.)

(2) President Not Officer of Unit

The President of an Amalgamated Local is elected on a local-wide basis, and therefore s/he is not an officer of her/his unit. (Detroit, 8/5/46, Page 97.)

(3) President Not Ex Officio Member of Election or Trial Committee

The provision in this Section which provides that the President of the Local Union "shall be a member ex officio of all committees" does not operate to make the Local Union President a member of a Local Union Trial Committee or a Local Union Election Committee. Trial Committees and Election Committees exist for specific and definite purposes, and unlike standing committees of the Local, they have nothing to do with the general administration of the Local Union. (Detroit, 8/5/46, Page 102.)

SECTION 3

(1) Tapes Not Official Records of Local Union Membership or Executive Board Meetings

Under this section the Recording Secretary is required to prepare and keep a correct record of the proceedings of the Local Union and present same for approval at a subsequent meeting. Accordingly, only the prescribed minutes of the Recording Secretary shall be considered as the official record of the Local Union Membership and Executive Board Meetings. Tapes used in membership and Local Union Executive Board meetings may not be considered as the official records of such meetings. (Detroit, 1/31/74, Pages 223-224.)

Art. 42; Art. 45, Secs. 1, 2

ARTICLE 42
Opening and Closing Ceremonies

(1) Quorum

Where Local Union Bylaws provide for a quorum at membership meetings and a quorum is present at the beginning of the meeting and during the course of the meeting the attendance drops below the quorum mark, the business of the meeting may continue to be transacted until someone challenges the presence of a quorum. All business that is transacted to the point where the quorum is challenged is legal and no business can be transacted after the presence of a quorum is challenged. (1/7/55, Pages 122-123.)

ARTICLE 45

Stewards and Committeepersons

SECTION 1

(1) Eligibility for Committeeperson as Affected by Unlawful Discharge

Where a Committeeperson is discharged by management and her/his grievance is pending, s/he remains a member of her/his Local and unit and, if otherwise eligible, may run for re-election or other office in such unit or Local or for Convention Delegate. And where pending the outcome of her/his grievance s/he finds temporary employment elsewhere her/his membership in her/his original Local is not affected and s/he need not transfer to the Local having jurisdiction over her/his new workplace. The new Local should issue to her/him a work permit. (Detroit, 1/22/46, Pages 177-178.)

(2) Eligibility of Retired Members to Run for Local Union Offices

Retired members are ineligible to run for any local union position which carries responsibility for grievances and/or bargaining required by the Collective Bargaining Agreement(s) or local union bylaws. (Las Vegas, 6/1/02).

SECTION 2

(1) Bargaining Committeepersons Cannot be Appointed

Bargaining Committeepersons must be elected. Where individuals have been elected in one capacity this does not constitute

Art. 45, Secs. 2, 3

election to serve in another capacity. Hence it is improper for the Bargaining Committee of a unit of an Amalgamated Local to be selected from the officers of the unit even though a motion to that effect has been voted at a meeting of the unit membership. It likewise is improper for a Unit Chairperson to appoint a Bargaining Committee from the elected Committeepersons or Stewards of the unit, subject to membership approval, even though the unit has voted her/him such authority. (Detroit, 8/5/46, Page 98.)

SECTION 3

(1) Recall of Stewards and/or Committeepersons Elected on Workplace-Wide Basis

Where a Local Union or a unit of an Amalgamated Local Union elects Stewards and/or Committeepersons under Section 2 of this Article on a workplace-wide basis and such Stewards and/or Committeepersons are assigned to districts after their election, they may be recalled in accordance with the procedures established by the Local Union by members of the district they represent by assignment; however, such recall by a district does not serve to remove them as Committeepersons and/or Stewards since they were elected workplace-wide. If such Stewards and/or Committeepersons are recalled by their district the Local Union shall assign them to another district or they may be recalled by the membership electing them in accordance with the procedures of the Constitution and those established by the Local Union. (Detroit, 12/6/62, Pages 204-205.)

(2) Recall of Committeeperson Who as Such is Member of Executive Board

A Committeeperson who is elected by the membership at large and by virtue of such election is also a member of the Executive Board can be recalled in accordance with the provision in Article 45, Section 3. (Louisville, 3/17/47, Page 98.)

(3) Recall of Steward or Committeeperson

In the recall vote of any Steward or Committeepersons, any member of the Union may vote who works in the geographical district which the Steward or Committeeperson represents (whether this district be the workplace as a whole or a department.) Such voting to take place at a meeting called for specific purpose of recall, after due notice of the meeting has been given to all members working in that geographical district pursuant to Article 45, Section 3. (Buffalo, 9/8/47, Pages 69-70.)

Art. 45, Secs. 3, 4; Art. 46, Sec. 1

(4) Stewards and Committeepersons

Once a petition to recall a Steward or Committeeperson is initiated, it must be completed and deposited with the Local Union President and/or Recording Secretary, or in the case of an Amalgamated Local Union the unit Chairperson and/or unit Secretary, within forty-five (45) days of such date.

If the petition is invalid or the meeting called for the purpose of recall decides not to recall the Steward or Committeeperson, then no further petition citing the same specific complaint may be deemed valid until one (1) year has elapsed from the date of such action or decision, unless the one (1) year time limit is waived by the International Union President due to unusual and compelling circumstances.

If multiple or frivolous petitions are filed involving the same Steward or Committeeperson, the Local Union Executive Board, or in the case of an Amalgamated Local Union the unit workplace organization, may declare the petition invalid and may appeal the matter directly to the Office of the International President for a ruling as to validity. (12/17/80, Pages 160-162.)

SECTION 4

(1) Separate Skilled Trades Representation -- Limits Voting and Candidacy
